Statement from Nationstar Mortgage CEO Jay Bray

Lewisville, TX (March 5, 2014) – Nationstar Mortgage Holdings Inc. (NYSE: NSM) (“Nationstar”) received this morning at 11:01 a.m. ET a letter from Benjamin Lawskey, Superintendent of the New York Department of Financial Services. The letter inquires about Nationstar’s servicing portfolio growth and mortgage servicing practices in 2013. The letter further requests that Nationstar provide the department with information regarding our servicing portfolio, staffing levels, business processes, vendors, 2013 mortgage servicing rights (MSR) acquisitions and borrower letters.

In response, Nationstar’s CEO Jay Bray said, “We intend to comply fully and transparently with Mr. Lawskey’s request, just as we do when working with the dozens of state and federal regulators who oversee our business and industry on a daily basis. We helped more than 100,000 of our 2.3 million customers with loan modifications and other workouts last year, and we refinanced mortgages for more than 60,000 homeowners in 2013 as well. We have a proven track record of helping homeowners succeed and avoid foreclosure, and we welcome the opportunity to share this information with the New York Department of Financial Services.”

About Nationstar Mortgage Holdings Inc.

Based in Lewisville, Texas, Nationstar offers servicing, origination, and real estate services to financial institutions and consumers. Nationstar is one of the largest servicers in the United States and operates an integrated loan origination business that mitigates servicing portfolio run-off and improves credit performance for loan investors. Our Solutionstar business unit offers asset management, settlement, valuation and processing services. Additional corporate information is available at www.nationstarholdings.com.
