

WMIH and Nationstar Mortgage Announce Preliminary Results of Election of Preferred Form of Merger Consideration

SEATTLE & DALLAS, JULY 27, 2018 – WMIH Corp. (NASDAQ: WMIH) (“WMIH”) and Nationstar Mortgage Holdings Inc. (NYSE: NSM) (“Nationstar”) today announced the preliminary results of the elections made by Nationstar stockholders as to the form of merger consideration they desire to receive in the transaction.

As previously announced, Nationstar stockholders had the option to elect to receive either \$18.00 in cash (“Cash Consideration”) or 12.7793 shares of common stock of WMIH (“Stock Consideration”), par value of \$0.00001 per share, in each case subject to automatic proration and adjustment, as applicable. Nationstar stockholders whose election materials were not received in proper form by the exchange agent by 5:00 p.m., New York City time, on July 26, 2018 (the “Election Deadline”) were deemed to have made an election to receive Stock Consideration.

Based on the information as of the Election Deadline, the preliminary merger consideration election results (including shares that made elections pursuant to guaranteed delivery procedures and Nationstar common stock in respect of certain Nationstar equity awards but excluding Fortress’s (as defined below) election and shares of Nationstar common stock held by Fortress) were as follows:

- Holders of approximately 26,249,980 shares of Nationstar common stock, or approximately 84.6% of the outstanding shares of Nationstar common stock, either elected to receive Stock Consideration (21,401,745 shares, or 69.0%) or were deemed to have made an election to receive Stock Consideration (4,848,235 shares, or 15.6%) as a result of not making a valid election; and
- Holders of approximately 4,794,325 shares of Nationstar common stock, or approximately 15.4% of the outstanding shares of Nationstar common stock, elected to receive Cash Consideration.

As previously disclosed, FIF HE Holdings LLC (“Fortress”) agreed to make an election to receive Cash Consideration with respect to no less than 50% of its shares of Nationstar common stock pursuant to a letter agreement, dated February 12, 2018, between Fortress and Nationstar. Fortress elected to receive Cash Consideration for 68,104,736 shares of Nationstar common stock, which constitutes 100% of the shares held by Fortress. It is expected that Fortress will own approximately 5.1% of the shares of common stock of WMIH after applying proration and adjustment procedures required by the merger agreement to the Cash Consideration.

The foregoing results are preliminary only, and final certified results are not expected to be available until following the closing of the merger. Based on the preliminary results described above, it is expected that Nationstar stockholders who elected to receive the Cash Consideration will be subject to proration. After the final merger consideration election results are determined, the final allocation and proration of merger consideration will be calculated in accordance with the terms of the merger agreement.

Nationstar stockholders are reminded that until the consummation of the proposed merger, Nationstar stockholders will not be able to transfer (including by sale) shares of Nationstar common stock for which a properly completed election form has been submitted to the Computershare Trust Company, N.A. Nationstar stockholders who have not submitted a properly completed election form to Computershare are advised that they may still be unable to transfer all or a portion of their shares (including by sale) because, as a result of all shares of Nationstar common stock for which an election was validly made no longer being transferable, there may be no trading market that will provide holders with adequate liquidity to make the desired transfer.

WMIH and Nationstar have received all required regulatory approvals and expect to close the merger on July 31, 2018, subject to the satisfaction of all other closing conditions.
