Item 1.01. Entry into a Material Definitive Agreement

On July 13, 2018, Wand Merger Corporation (the “Issuer”), a wholly-owned subsidiary of WMIH Corp. (the “Company” or “WMIH”), closed the previously announced offering (the “Offering”) of \$950,000,000 aggregate principal amount of the Issuer’s 8.125% Notes due 2023 (the “2023 Notes”) and \$750,000,000 aggregate principal amount of the Issuer’s 9.125% Notes due 2026 (the “2026 Notes” and, together with the 2023 Notes, the “Notes”). The Issuer sold the Notes to the initial purchasers in the Offering, which was exempt from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”). The Notes were offered for resale to “qualified institutional buyers” as defined in Rule 144A under the Securities Act and to non-U.S. persons outside the United States in reliance on Regulation S under the Securities Act.

The proceeds from the Notes were funded into escrow, which upon release will be used, together with the proceeds from the issuance of the Company’s common stock and the Company’s cash and restricted cash on hand, to consummate the Company’s previously announced acquisition of Nationstar Mortgage Holdings Inc. (“Nationstar”) and the refinancing of certain of Nationstar’s existing debt and to pay related fees and expenses or otherwise in accordance with the terms of the escrow agreement, dated as of July 13, 2018, among the Issuer, Wells Fargo Bank, National Association, as trustee (in such capacity, the “Trustee”), and Wells Fargo Bank, National Association, as escrow agent. At the consummation of the acquisition, the Issuer will merge (the “Merger”) with and into Nationstar, with Nationstar surviving the Merger as a wholly-owned subsidiary of the Company. As a result of the Merger, Nationstar will assume all of the Issuer’s obligations under the Notes (the “Assumption”).

If the Merger is not consummated on or prior to November 12, 2018 (as such date may be extended pursuant to the agreement governing the Merger (the “Merger Agreement”)), or if prior to such date, the Merger Agreement is terminated, the Notes will be subject to a special mandatory redemption at a redemption price of 100.0% of the initial issue price of the Notes, plus accrued and unpaid interest to the redemption date.

The Notes were issued pursuant to the Indenture, dated as of July 13, 2018 (the “Indenture”), among the Issuer, the Company and the Trustee. Interest on the 2023 Notes accrues beginning on July 13, 2018 at a rate of 8.125% per year. Interest on the 2026 Notes accrues beginning on July 13, 2018 at a rate of 9.125% per year. Interest on the Notes is payable semi-annually on January 15 and July 15 of each year, commencing on January 15, 2019. The 2023 Notes mature on July 15, 2023 and the 2026 Notes mature on July 15, 2026.

The Indenture contains customary terms, events of default and covenants for an issuer of non-investment grade debt securities. These covenants include limitations on, among other things, incurring additional debt or issuing certain preferred shares, paying dividends on or making other distributions in respect of capital stock or making other restricted payments, making certain investments, selling or transferring certain assets, creating liens on certain assets to secure debt, consolidating, merging, selling or otherwise disposing of all or substantially all assets, entering into certain transactions with affiliates and designating subsidiaries as unrestricted subsidiaries.

Prior to (i) July 15, 2020, in the case of the 2023 Notes, and (ii) July 15, 2021, in the case of the 2026 Notes, the Issuer may, at its option and on any one or more occasions, redeem some or all of the Notes of such series at a make-whole price plus accrued and unpaid interest to the redemption date.

Prior to (i) July 15, 2020, in the case of the 2023 Notes, and (ii) July 15, 2021, in the case of the 2026 Notes, the Issuer may, at its option and on any one or more occasions, redeem up to 40% of the aggregate principal amount of the Notes of such series, in each case, with an amount equal to or less than the net proceeds from certain equity offerings at a redemption price of 108.125%, in the case of the 2023 Notes, and 109.125%, in the case of the 2026 Notes, plus accrued and unpaid interest to the redemption date.

On or after (i) July 15, 2020, in the case of the 2023 Notes, and (ii) July 15, 2021, in the case of the 2026 Notes, the Issuer may, at its option and on any one or more occasions, redeem some or all of the Notes of such series at the applicable redemption prices set forth in the Indenture, plus accrued and unpaid interest to the redemption date.

If a “change of control” (as defined in the Indenture) occurs, the holders of the Notes may require the Issuer to purchase for cash all or a portion of their Notes at a purchase price equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest to the repurchase date. The Merger will not constitute a “change of control” under the Indenture.

Prior to the consummation of the Merger, the Notes will initially be senior obligations of the Issuer, secured by the escrowed property. Upon the consummation of the Merger and the Assumption, the Notes will be senior unsecured obligations of the Issuer and will rank senior in right of payment to any future subordinated indebtedness of the Issuer, equally in right of payment with all existing and future senior indebtedness of the Issuer and effectively subordinated to any future secured indebtedness of the Issuer to the extent of the value of collateral securing such indebtedness.

Prior to the consummation of the Merger, the Notes will be fully and unconditionally guaranteed by the Company. Upon the consummation of the Merger and the Assumption, the Notes will be fully and unconditionally guaranteed, jointly and severally, on a senior unsecured basis by the Company and each of Nationstar's existing and future wholly-owned domestic subsidiaries (other than certain excluded subsidiaries). The guarantees will be senior unsecured obligations of the guarantors and will rank senior in right of payment to any future subordinated indebtedness of the guarantors, equally in right of payment with all existing and future senior indebtedness of the guarantors and effectively subordinated to any future secured indebtedness of the guarantors to the extent of the value of collateral securing such indebtedness. The Notes and the guarantees will be structurally subordinated to the indebtedness and liabilities of the Company's subsidiaries that do not guarantee the Notes.

The foregoing summaries of the Indenture and the Notes do not purport to be complete and are qualified in their entirety by reference to the Indenture, a copy of which is filed as Exhibit 4.1 to this Form 8-K, and such documents are incorporated herein by reference.

If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Applicable Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period or, if lower, the maximum commitments under such revolving credit facility as of the Applicable Calculation Date. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuer may designate.

SECTION 1.04. Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an officer of the Issuer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate or opinion may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of the Issuer stating that the information with respect to such factual matters is in the possession of the Issuer, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

SECTION 1.05. Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by agents duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Issuer, if made in the manner provided in this Section 1.05.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by a signer acting in a capacity other than his individual capacity, such certificate or affidavit shall also constitute sufficient proof of authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that the Trustee deems sufficient.

(c) The principal amount and serial numbers of Notes held by any Person, and the date of holding the same, shall be proved by the Note Register.

(d) If the Issuer shall solicit from the Holders any request, demand, authorization, direction, notice, consent, waiver or other Act, the Issuer may, at its option, fix in advance a record date for the determination of Holders entitled to give such request, demand, authorization, direction, notice, consent, waiver or other Act, but the Issuer shall have no obligation to do so. Such record date shall be a date not earlier than the date 30 days prior to the first solicitation of Holders generally in connection therewith and not later than the date such solicitation is completed. If such a record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other Act may be given before or after such record date, but only the Holders of record at the close of business on such record date shall be deemed to be Holders for the purposes of determining whether Holders of the requisite proportion of Outstanding Notes have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other Act, and for that purpose the Outstanding Notes shall be computed as of such record date; provided, that no such authorization, agreement or consent by the Holders on such record date shall be deemed effective unless it shall become effective pursuant to the provisions of this Indenture not later than eleven months after the record date. Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Note shall bind every future Holder of the same Note and the Holder of every Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee, the Issuer or any Guarantor in reliance thereon, whether or not notation of such action is made upon such Note.

SECTION 1.06. Notices, Etc., to Trustee, Issuer, any Guarantor and Agent. Any request, demand, authorization, direction, notice, consent, waiver or Act of Holders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with,

(1) the Trustee by any Holder or by the Issuer or any Guarantor shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing via facsimile, email in PDF format or mailed, first class postage prepaid, or delivered by recognized overnight courier, to or with the Trustee at Wells Fargo Bank, National Association, 333 S Grand Ave., Floor 05, Los Angeles, California, 90071, Attention: Casey Boyle (fax: (877) 775-7570), or

(2) the Issuer or any Guarantor by the Trustee or by any Holder shall be sufficient for every purpose hereunder (unless otherwise herein expressly provided) if made, given, furnished or delivered in writing via facsimile, or email in PDF or mailed, first class postage prepaid, or delivered by recognized overnight courier, to the Issuer or such Guarantor addressed (x) prior to the Assumption, to WMIH Corp., 800 Fifth Avenue, Suite 4100, Seattle, Washington 98104, Attention: Charles Edward Smith (fax: (206) 922-2995) and (y) following the Assumption, to Nationstar Mortgage Holdings Inc., 8950 Cypress Waters Blvd, Coppell, Texas 75019, Attention: General Counsel or at any other address previously furnished in writing to the Trustee by the Issuer or such Guarantor.

A copy of all notices to any Agent shall be sent to the Trustee at the address show above. Any Person may change it address by giving notice of such change as set forth herein. The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured email, facsimile transmission or other similar unsecured electronic methods; *provided, however*, that (a) the party providing such written instructions, subsequent to such transmission of written instructions, shall provide the originally executed instructions or directions to the Trustee in a timely manner, and (b) such originally executed instructions or directions shall be signed by an authorized representative of the party providing such instructions or directions. If the party elects to give the Trustee email or facsimile instructions (or instructions by a similar electronic method) and the Trustee in its discretion elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling.

The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The party providing electronic instructions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

SECTION 1.07. Notice to Holders; Waiver. Where this Indenture provides for notice of any event to Holders by the Issuer or the Trustee, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and delivered electronically or mailed, first class postage prepaid, to each Holder affected by such event, at his address as it appears in the Note Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Notices given by publication (including posting of information as contemplated by Section 10.09) shall be deemed given on the first date on which publication is made, notices given by first-class mail, postage prepaid, shall be deemed given five calendar days after mailing or transmitting; notices sent by overnight delivery service will be deemed given when delivered; and notices given electronically shall be deemed given when sent. Notice given in accordance with the procedures of the Depository will be deemed given on the date sent to the Depository. Any notices required to be given to the holders of Notes that are in global form will be given to the Depository in accordance with its customary procedures therefor.

In case by reason of the suspension of or irregularities in regular mail service or by reason of any other cause, it shall be impracticable to mail notice of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Trustee shall be deemed to be a sufficient giving of such notice for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 1.08. Effect of Headings and Table of Contents. The Article and Section headings herein and the Table of Contents are for convenience of reference only, are not intended to be considered a part hereof and shall not affect the construction hereof.

SECTION 1.09. Successors and Assigns. All agreements of the Issuer in this Indenture and the Notes will bind its successors. All agreements of the Trustee in this Indenture will bind its successors. All agreements of each Guarantor in this Indenture will bind its successors, except as otherwise provided in Section 12.08 hereof.

SECTION 1.10. Severability Clause. In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 1.11. Benefits of Indenture. Nothing in this Indenture or in the Notes, express or implied, shall give to any Person, other than the parties hereto, any Paying Agent, any Note Registrar and their successors hereunder and the Holders any benefit or any legal or equitable right, remedy or claim under this Indenture.

SECTION 1.12. Governing Law; Submission to Jurisdiction. This Indenture, the Notes and any Guarantee shall be governed by and construed in accordance with the laws of the State of New York. THE PARTIES HERETO AGREE TO SUBMIT TO THE JURISDICTION OF ANY UNITED STATES FEDERAL OR STATE COURT LOCATED IN THE BOROUGH OF MANHATTAN, IN THE CITY OF NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE OR THE NOTES. Each of the parties hereto irrevocably waives, to the fullest extent permitted by law, any objection which it may have to the laying of the venue of any such suit, action or proceeding brought in an inconvenient forum. Each of the parties hereto agrees that final judgment in any such suit, action or proceeding brought in such a court shall be conclusive and binding upon such party, and may be enforced in any courts to the jurisdiction of which such party is subject by a suit upon such judgment, *provided*, that service of process is effected upon such party in the manner specified herein or as otherwise permitted by law.

SECTION 1.13. Legal Holidays. In any case where any Interest Payment Date, Redemption Date, Change of Control Payment Date or Stated Maturity or Maturity of any Note shall not be a Business Day, then (notwithstanding any other provision of this Indenture or of the Notes) payment of principal (or premium, if any) or interest or other required payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the Interest Payment Date, Redemption Date, Change of Control Payment Date or at the Stated Maturity or Maturity; *provided*, that no interest shall accrue on such payment for the period from and after such Interest Payment Date, Redemption Date, Change of Control Payment Date, Stated Maturity or Maturity, as the case may be.

SECTION 1.14. No Personal Liability of Directors, Managers, Officers, Employees and Stockholders. No past, present or future director, manager, officer, employee, incorporator, member, partner or stockholder of the Issuer or any Guarantor or any of their parent companies or entities shall have any liability for any obligations of the Issuer or the Guarantors under the Notes, the Guarantees or this Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

SECTION 1.15. [Reserved]

SECTION 1.16. Counterparts. This Indenture may be executed in any number of counterparts, each of which shall be original; but such counterparts shall together constitute but one and the same instrument. One signed copy is enough to prove this Indenture. The exchange of copies of this Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

SECTION 1.17. USA PATRIOT Act. The parties hereto acknowledge that in accordance with Section 326 of the USA PATRIOT Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account. The Issuer agrees that it will provide the Trustee with information about the Issuer as the Trustee may reasonably request in order for the Trustee to satisfy the requirements of the USA PATRIOT Act.

SECTION 1.18. Waiver of Jury Trial. EACH OF THE ISSUER, ANY GUARANTOR AND THE TRUSTEE AND EACH HOLDER OF A NOTE, BY ITS ACCEPTANCE THEREOF, THEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR ANY OF THE TRANSACTIONS CONTEMPLATED THEREBY OR HEREBY.

SECTION 1.19. Force Majeure. In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

SECTION 1.20. FATCA. In order to comply with Sections 1471 – 1474 of the Code, any current or future regulations or official interpretations thereof, any intergovernmental agreement between a non-U.S. jurisdiction and the United States with respect to the foregoing, any similar law or regulations adopted pursuant to such an intergovernmental agreement or any agreements entered into pursuant to Section 1471(b)(1) of the Code (“FATCA”) that a foreign financial institution, issuer, trustee, paying agent, or other party is or has agreed to be subject to related to this Indenture, the Issuer agrees (i) to use commercially reasonable efforts to provide to the Trustee sufficient information about the parties and/or transactions (including any modification to the terms of such transactions) that is reasonably requested by the Trustee so the Trustee can determine whether it has tax related obligations under FATCA, and (ii) that the Trustee shall be entitled to make any withholding or deduction from payments under this Indenture to the extent necessary to comply with FATCA for which the Trustee shall not have any liability. The terms of this paragraph shall survive the satisfaction and discharge of this Indenture.

ARTICLE TWO

NOTE FORMS

SECTION 2.01. Form and Dating. Provisions relating to each series of the Initial Notes are set forth in Annex I attached hereto (the “Appendix”) which is hereby incorporated in, and expressly made part of, this Indenture. The Initial Notes and the Trustee’s certificate of authentication shall be substantially in the form of Exhibits 1-A and 1-B to the Appendix which is hereby incorporated in, and expressly made a part of, this Indenture. The Notes may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Issuer is subject, if any, or usage (provided that any such notation, legend or endorsement is in a form reasonably acceptable to the Issuer). The terms of the Notes set forth in the Appendix are part of the terms of this Indenture.

SECTION 2.02. Execution, Authentication, Delivery and Dating. The Notes shall be executed on behalf of the Issuer by at least one Officer. The signature of any Officer on the Notes may be manual, electronic or facsimile signatures of the present or any future such authorized officer and may be imprinted or otherwise reproduced on the Notes.

Notes bearing the manual, electronic or facsimile signature of an individual who was at any time the proper Officer of the Issuer shall bind the Issuer, notwithstanding that such individual has ceased to hold such office prior to the authentication and delivery of such Notes or did not hold such office at the date of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Notes executed by the Issuer to the Trustee for authentication, together with an Issuer Order for the authentication and delivery of such Notes, and the Trustee in accordance with such Issuer Order shall authenticate and deliver such Notes.

On the Issue Date, the Issuer shall deliver the Initial Notes in the aggregate principal amount of \$950,000,000, in the case of the 2023 Notes, and \$750,000,000, in the case of the 2026 Notes, executed by the Issuer to the Trustee for authentication, together with an Issuer Order for the authentication and delivery of such Notes, specifying the principal amount and registered holder of each Note, directing the Trustee to authenticate the Notes and deliver the same to the persons named in such Issuer Order and the Trustee in accordance with such Issuer Order shall authenticate and deliver such Initial Notes. At any time and from time to time after the Issue Date, the Issuer may deliver Additional Notes of a series executed by the Issuer to the Trustee for authentication, together with an Issuer Order for the authentication and delivery of such Additional Notes, specifying the principal amount of and registered holder of each Note, directing the Trustee to authenticate the Additional Notes and deliver the same to the Persons named in such Issuer Order and certifying that the issuance of such Additional Notes is in compliance with Section 10.11 of this Indenture and the Trustee in accordance with such Issuer Order shall authenticate and deliver such Additional Notes. In each case, the Trustee shall receive a copy of the resolution or resolutions of the Board, an executed supplemental indenture (if any), an Officer's Certificate and an Opinion of Counsel of the Issuer as to such matters as it may reasonably require in connection with such authentication of Notes; provided that no Opinion of Counsel under Section 1.03 shall be required in connection with the authentication of the Initial Notes. Such Issuer Order shall specify the amount of Notes to be authenticated and the date on which the original issue of Notes is to be authenticated. Trustee shall have the right to decline to authenticate and deliver any Notes under this Section if the Trustee, being advised by counsel, determines that such action may not lawfully be taken or if the Trustee in good faith shall determine that such action would expose the Trustee to personal liability to existing Holders.

Each Note shall be dated the date of its authentication.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Note a certificate of authentication substantially in the form provided for herein duly executed by the Trustee by manual signature of an authorized signatory, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder and is entitled to the benefits of this Indenture.

In case the Issuer or any Guarantor, pursuant to Article Eight of this Indenture, shall be merged, consolidated or amalgamated with or into or wind up into any other Person or shall sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the properties or assets of the Issuer and its Restricted Subsidiaries, taken as a whole, in case of the Issuer, or all or substantially all of the properties or assets of such Guarantor in case of a Guarantor, to any Person, and the successor Person (other than the Issuer or such Guarantor, as applicable) formed by or surviving any such merger, consolidation or amalgamation or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made, shall have executed a supplemental indenture hereto with the Trustee pursuant to Article Eight of this Indenture, any of the Notes authenticated or delivered prior to such merger, consolidation, amalgamation, sale, assignment, transfer, lease, conveyance or other disposition may, from time to time, at the request of the successor Person, be exchanged for other Notes executed in the name of the successor Person with such changes in phraseology and form as may be appropriate, but otherwise in substance of like tenor as the Notes surrendered for such exchange and of like principal amount; and the Trustee, upon Issuer Request of the successor Person, shall authenticate and deliver Notes as specified in such request for the purpose of such exchange. If Notes shall at any time be authenticated and delivered in any new name of a successor Person pursuant to this Section 2.02 in exchange or substitution for or upon registration of transfer of any Notes, such successor Person, at the option of the Holders but without expense to them, shall provide for the exchange of all Notes at the time Outstanding for Notes authenticated and delivered in such new name.

ARTICLE THREE

THE NOTES

SECTION 3.01. Title and Terms. The aggregate principal amount of each series of Notes which may be authenticated and issued under this Indenture is not limited; *provided* that any Additional Notes of a series issued under this Indenture are issued in accordance with Sections 2.02, 3.13 and 10.11 hereof, as part of the same series as the applicable series of the Initial Notes.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture, and the Issuer, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

The 2023 Notes shall be known and designated as the “8.125% Senior Notes Due 2023” of the Issuer. The Stated Maturity of the principal of 2023 Notes shall be July 15, 2023, and the 2023 Notes shall bear interest at the rate of 8.125% per annum from the Issue Date, or from the most recent Interest Payment Date to which interest has been paid or duly provided for, payable commencing on January 15, 2019 and semi-annually thereafter in arrears on January 15 and July 15 of each year, until the principal thereof is paid or duly provided for and to the Person in whose name the 2023 Note (or any Predecessor Note) is registered at the close of business (if applicable) on the January 1 and July 1 (whether or not a Business Day) immediately preceding such Interest Payment Date (each, a “Regular Record Date”).

The 2026 Notes shall be known and designated as the “9.125% Senior Notes Due 2026” of the Issuer. The Stated Maturity of the principal of 2026 Notes shall be July 15, 2026, and the 2026 Notes shall bear interest at the rate of 9.125% per annum from the Issue Date, or from the most recent Interest Payment Date to which interest has been paid or duly provided for, payable commencing on January 15, 2019 and semi-annually thereafter in arrears on January 15 and July 15 of each year, until the principal thereof is paid or duly provided for and to the Person in whose name the 2026 Note (or any Predecessor Note) is registered at the close of business (if applicable) on each Regular Record Date.

The principal of (and premium, if any) and interest on the Notes shall be payable at the offices or agencies of the Issuer maintained for such purpose as set forth in Section 3.02, or, at the option of the Issuer, payment of interest may be made by check mailed to the Holders at their respective addresses set forth in the Note Register of Holders or by wire transfer; *provided* that all payments of principal, premium, if any, and interest with respect to Notes represented by one or more Global Notes registered in the name of or held by the Depository or its nominee will be made in accordance with the Depository's applicable procedures.

Holders shall have the right to require the Issuer to purchase their Notes, in whole or in part, in the event of a Change of Control pursuant to Section 10.16. The Notes shall be subject to repurchase pursuant to an Asset Sale Offer as provided in Section 10.17.

The Notes shall be redeemable as provided in Article Eleven.

The due and punctual payment of principal of (and premium, if any) and interest on the Notes payable by the Issuer is irrevocably unconditionally guaranteed, to the extent set forth herein, by each of the Guarantors.

SECTION 3.02. Note Registrar, Transfer Agent and Paying Agent. The Issuer shall maintain one or more Paying Agents for the Notes in New York. The Issuer hereby appoints the Trustee as the initial Paying Agent.

The Issuer shall be responsible for making calculations called for under the Notes, including but not limited to determination of redemption price or other amounts payable on the Notes. The Issuer will make the calculations in good faith and, absent manifest error, its calculations will be final and binding on the Holders. The Issuer will provide a schedule of its calculations to the Trustee when requested by the Trustee, and the Trustee is entitled to rely conclusively on the accuracy of the Issuer's calculations without independent verification. The Trustee shall forward the Issuer's calculations to any Holder upon the written request of such Holder.

The Issuer will also maintain a registrar (the "Note Registrar") with offices in New York. The Issuer will also maintain a transfer agent (each, a "Transfer Agent") in New York. The Issuer hereby appoints the Trustee as the initial Note Registrar and Transfer Agent. The Note Registrar and the Transfer Agent shall keep a register of each series of the Notes and of their transfer and exchange (the register maintained in such office or in any other office or agency designated pursuant to Section 10.02 being herein referred to as the "Note Register") and will facilitate transfers of Notes on behalf of the Issuer. The Note Register shall be in written form or any other form capable of being converted into written form within a reasonable time. At all reasonable times, the Note Register shall be open to inspection by the Trustee. The Issuer may change the Paying Agents, the Note Registrars or the Transfer Agents without prior notice to the Holders. The Issuer may have one or more co-registrars and one or more additional paying agents. The term "Note Registrar" includes any co-registrars. For the avoidance of doubt, there shall only be one Note Register. The Trustee may make reasonable rules for action by or at a meeting of Holders. The Note Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

Each Holder agrees to indemnify the Issuer and the Trustee against any liability that may result from the transfer, exchange or assignment of such Holder's Note in violation of any provision of this Indenture and/or applicable United States Federal or state securities law.

The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

The Issuer shall enter into an appropriate agency agreement with any Note Registrar or Paying Agent not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee in writing of the name and address of any such agent. If the Issuer fails to maintain a Note Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 6.07. The Issuer or any of its Subsidiaries may act as Paying Agent or Note Registrar.

The transferor shall also provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Section 6045 of the Code. The Trustee may rely on any such information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

The Issuer acknowledges that neither the Trustee nor any Agent makes any representations as to the interpretation or characterization of the transactions herein undertaken for tax or any other purpose, in any jurisdiction.

SECTION 3.03. Denominations. The Notes shall be issuable only in registered form without coupons and only in denominations of \$2,000 and any integral multiples of \$1,000 in excess thereof.

SECTION 3.04. Temporary Notes. Pending the preparation of permanent Notes, the Issuer may execute, and upon Issuer Order the Trustee shall authenticate and deliver, temporary Notes which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the permanent Notes in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Notes may determine, as conclusively evidenced by their execution of such Notes.

If temporary Notes are issued, the Issuer will cause permanent Notes to be prepared without unreasonable delay. After the preparation of permanent Notes, the temporary Notes shall be exchangeable for permanent Notes upon surrender of the temporary Notes at the office or agency of the Issuer designated for such purpose pursuant to Section 10.02, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes, the Issuer shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of permanent Notes of authorized denominations. Until so exchanged, the temporary Notes shall in all respects be entitled to the same benefits under this Indenture as permanent Notes.

SECTION 3.05. Registration of Transfer and Exchange.

Upon surrender for registration of transfer of any Note at the office or agency of the Issuer designated pursuant to Section 10.02, the Issuer shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of the applicable series of any authorized denomination or denominations of a like aggregate principal amount.

At the option of the Holder, Notes may be exchanged for other Notes of the same series of any authorized denomination and of a like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Notes of a series are so surrendered for exchange, the Issuer shall execute, and the Trustee shall authenticate and deliver, the Notes of the applicable series which the Holder making the exchange is entitled to receive.

All Notes issued upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Notes of the applicable series surrendered upon such registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or for exchange shall (if so required by the Issuer or the Note Registrar) be duly endorsed, or be accompanied by written instruments of transfer, in form satisfactory to the Issuer and the Note Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing.

No service charge shall be made for any registration of transfer or exchange or redemption of Notes, but the Issuer may require payment of a sum sufficient to cover any taxes, fees or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Notes, other than exchanges pursuant to Sections 2.02, 3.04, 9.06, 10.16, 10.17 or 11.09 not involving any transfer.

SECTION 3.06. Mutilated, Destroyed, Lost and Stolen Notes. If (1) any mutilated Note is surrendered to the Trustee, or (2) the Issuer and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, and there is delivered to the Issuer and the Trustee such security or indemnity to save each of them harmless from any claim, loss, cost or liability resulting from such lost or stolen Note, then, in the absence of written notice to the Issuer or the Trustee that such Note has been acquired by a Protected Purchaser (as defined in Section 8-303 of the Uniform Commercial Code) (a "**Protected Purchaser**"), the Issuer shall execute and upon Issuer Order the Trustee shall authenticate and deliver, in exchange for any such mutilated Note or in lieu of any such destroyed, lost or stolen Note, a new Note of the applicable series of like tenor and principal amount, bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Note, pay such Note.

Upon the issuance of any new Note under this Section 3.06, the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 3.06 in lieu of any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Issuer and each Guarantor, whether or not the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all benefits of this Indenture equally and proportionately with any and all other Notes of the applicable series duly issued hereunder.

The provisions of this Section 3.06 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

SECTION 3.07. Payment of Interest; Interest Rights Preserved.

(a) Interest on any Note which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name such Note (or one or more Predecessor Notes) is registered at the close of business (if applicable) on the Regular Record Date for such interest at the office or agency of the Issuer maintained for such purpose pursuant to Section 10.02; provided that, subject to Section 3.01 hereof, each installment of interest may at the Issuer's option be paid by (1) mailing a check for such interest, payable to or upon the written order of the Person entitled thereto pursuant to Section 3.08, to the address of such Person as it appears in the Note Register or (2) transfer to an account maintained by the payee; provided that payment by wire transfer of immediately available funds shall be required with respect to principal of, premium on, if any, and interest on, all Notes in global form and all other Notes the Holders of which shall have provided wire transfer instructions to the Issuer and the Paying Agent; *provided* that for Notes not in global form the Paying Agent shall have received from the Holders satisfactory wire transfer instructions at least ten calendar days prior to the related payment date and subject to surrender of the Note in the case of payments of principal and premium, if any.

(b) Any interest on any Note of a series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date shall forthwith cease to be payable to the Holder on the Regular Record Date by virtue of having been such Holder, and such defaulted interest and (to the extent lawful) interest on such defaulted interest at the rate borne by the Notes of such series (such defaulted interest and interest thereon herein collectively called "Defaulted Interest") may be paid by the Issuer, at its election in each case, as provided in clause (1) or (2) below:

(1) the Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes of such series (or their respective Predecessor Notes) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note of such series and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than ten days prior to the date of the proposed payment and not less than ten days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Issuer of such Special Record Date, and in the name and at the expense of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be given in the manner provided for in Section 1.07, not less than ten days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so given, such Defaulted Interest shall be paid to the Persons in whose names the Notes of such series (or their respective Predecessor Notes) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) the Issuer may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes of such series may be listed, and upon such notice as may be required by such exchange, if, after written notice given by the Issuer to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

(c) Subject to the foregoing provisions of this Section 3.07, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 3.08. Persons Deemed Owners. Prior to the due presentment of a Note for registration of transfer, the Issuer, any Guarantor, the Trustee and any agent of the Issuer or the Trustee may treat the Person in whose name such Note is registered as the owner of such Note for the purpose of receiving payment of principal of (and premium, if any) and (subject to Sections 3.05 and 3.07) interest on such Note and for all other purposes whatsoever, whether or not such Note be overdue, and none of the Issuer, any Guarantor, the Trustee or any agent of the Issuer or the Trustee shall be affected by notice to the contrary.

SECTION 3.09. Cancellation. All Notes surrendered for payment, redemption, registration of transfer or exchange shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and shall be cancelled by the Trustee in accordance with its customary procedures. The Issuer may at any time deliver to the Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Issuer may have acquired in any manner whatsoever, and may deliver to the Trustee (or to any other Person for delivery to the Trustee) for cancellation any Notes previously authenticated hereunder which the Issuer has not issued and sold, and all Notes so delivered shall be cancelled by the Trustee in accordance with its customary procedures. If the Issuer shall so acquire any of the Notes, however, such acquisition shall not operate as a redemption or satisfaction of the indebtedness represented by such Notes unless and until the same are surrendered to the Trustee for cancellation. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section 3.09, except as expressly permitted by this Indenture. All cancelled Notes held by the Trustee shall be disposed of by the Trustee in accordance with its customary procedures.

SECTION 3.10. Computation of Interest. Interest on the Notes shall be computed on the basis of a 360-day year of twelve 30-day months.

SECTION 3.11. Transfer and Exchange. The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer. When a Note is presented to the Note Registrar or a co-registrar with a request to register a transfer, the Note Registrar shall register the transfer as requested if the requirements of this Indenture and Section 8-401(a) of the Uniform Commercial Code are met. When Notes are presented to the Note Registrar or a co-registrar with a request to exchange them for an equal principal amount of Notes of other denominations, the Note Registrar shall make the exchange as requested if the same requirements are met.

SECTION 3.12. CUSIP, ISIN and Common Code Numbers. The Issuer in issuing the Notes may use CUSIP, ISIN and Common Code numbers (in each case, if then generally in use) in addition to serial numbers, and, if so, the Trustee shall use such CUSIP, ISIN and Common Code numbers in addition to serial numbers in notices of redemption, repurchase or other notices to Holders as a convenience to Holders; *provided* that the Trustee shall have no liability for any defect in the CUSIP numbers as they appear on any Note, notice or elsewhere; *provided, further*, that any such notice may state that no representation is made as to the correctness of such CUSIP, ISIN and Common Code numbers either as printed on the Notes or as contained in any notice of a redemption or repurchase and that reliance may be placed only on the serial or other identification numbers printed on the Notes, and any such redemption or repurchase shall not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee in writing of any change in the CUSIP, ISIN and Common Code numbers applicable to the Notes. Notwithstanding anything otherwise to the contrary in this Indenture or the Notes, the Issuer may, and, at the Issuer's direction, the Trustee shall, exchange Notes then outstanding, including, in the case of any Global Notes, through a mandatory exchange at the Depository or otherwise in accordance with Applicable Procedures, to reflect any change in the name of the Issuer, and/or the CUSIP, ISIN and Common Code numbers with respect to the Notes as may be necessary or appropriate to give effect to the Assumption.

SECTION 3.13. Issuance of Additional Notes. The Issuer may, subject to Section 2.02 and Section 10.11 of this Indenture, issue additional Notes of a series having identical terms and conditions to the Initial Notes of such series issued on the Issue Date (the “Additional Notes”), except, if applicable, the initial Interest Payment Date, issue price and the initial interest accrual date. The Initial Notes and any Additional Notes subsequently issued shall be treated as a single class for all purposes under this Indenture; *provided* that a separate CUSIP or ISIN will be issued for the Additional Notes of each series, unless the Initial Notes of a series and the Additional Notes of such series are treated as fungible for U.S. federal income tax purposes.

ARTICLE FOUR

SATISFACTION AND DISCHARGE

SECTION 4.01. Satisfaction and Discharge of Indenture. This Indenture shall be discharged and cease to be of further effect as to all Notes of any series and the Trustee, at the request and expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture when either:

(1) all Notes of such series theretofore authenticated and delivered (other than (i) Notes of such series which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06 and (ii) Notes of such series for whose payment money has theretofore been deposited in trust with the Trustee or any Paying Agent or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 10.03) have been delivered to the Trustee for cancellation; or

(2) (a) all such Notes of such series not theretofore delivered to the Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise; will become due and payable within one year or may be called for redemption within one year under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer; and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders of the Notes of such series, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts (including scheduled payments thereon) as will be sufficient (without consideration of any reinvestment of interest) to pay and discharge the entire indebtedness on the Notes of such series not theretofore delivered to the Trustee for cancellation, for principal, premium, if any, and accrued interest to the Stated Maturity or Redemption Date, as the case may be; *provided*, that upon any redemption that requires the payment of the relevant Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the relevant Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of redemption (any such amount the “Applicable Premium Deficit”) only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer’s Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(b) no Default or Event of Default (other than that resulting from borrowing funds to be applied to make such deposit or any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) with respect to this Indenture or the Notes shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit shall not result in a breach or violation of, or constitute a default under any material agreement or material instrument (other than this Indenture) to which the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith);

(c) the Issuer has paid or caused to be paid all sums payable by it under this Indenture with respect to such series of Notes;

(d) the Issuer has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes of such series at the Stated Maturity or the Redemption Date, as the case may be; and

(e) the Issuer has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions), each stating that all conditions precedent herein to the satisfaction and discharge of this Indenture have been satisfied. Such Opinion of Counsel may rely on such Officer's Certificate as to matters of fact, including clauses (2)(a), (b), (c) and (d) above.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Issuer to the Trustee under Section 6.07, the obligations of the Issuer to any Authenticating Agent under Section 6.12 and, if money or Government Securities shall have been deposited with the Trustee pursuant to subclause (a) of clause (2) of this Section 4.01, the obligations of the Trustee under Section 4.02 and the last paragraph of Section 10.03 shall survive such satisfaction and discharge.

SECTION 4.02. Application of Trust Money. Subject to the provisions of the last paragraph of Section 10.03, all money or Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Section 4.01 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) of the principal (and premium, if any) and interest for whose payment such money or Government Securities has been deposited with the Trustee; but such money or Government Securities need not be segregated from other funds except to the extent required by law.

The Issuer shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the Government Securities deposited pursuant to this Section 4.02 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the Outstanding Notes of a series. The Trustee shall also deliver or pay to the Issuer from time to time upon Issuer Request any money or Government Securities held by it which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect an equivalent satisfaction and discharge, as applicable, in accordance with Article Four.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 4.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 4.01 until such time as the Trustee or Paying Agent is permitted to apply all such money or Government Securities in accordance with Section 4.01; *provided* that if the Issuer has made any payment of principal of (and premium, if any) or interest on any series of Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of the Notes of such series to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

ARTICLE FIVE

REMEDIES

SECTION 5.01. Events of Default. "Event of Default", wherever used herein, means, with respect to the Notes of any series, any one of the following events:

- (1) default in payment when due and payable, upon redemption, acceleration or otherwise, of principal of, or premium, if any, on such series of Notes;
- (2) default for 30 days or more in the payment when due of interest on or with respect to such series of Notes;
- (3) failure by the Issuer or any Guarantor for 60 days after receipt of written notice given by the Trustee or the Holders of not less than 30% in principal amount of the then Outstanding Notes (with a copy to the Trustee) to comply with any of its obligations, covenants or agreements (other than a default referred to in clauses (1) or (2) above) contained in this Indenture or the Notes; *provided* that in the case of a failure to comply with Section 10.09, such period of continuance of such default or breach shall be 120 days after written notice described in this clause (3) has been given;
- (4) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Corporate Indebtedness of the Issuer or any of the Restricted Subsidiaries or the payment of which is guaranteed by the Issuer or any of the Restricted Subsidiaries (other than Indebtedness owed to the Issuer or a Restricted Subsidiary), whether such Indebtedness or guarantee now exists or is created after the issuance of the Notes, if both:
 - (A) such default either results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated final maturity; and
 - (B) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, is in the aggregate, equal to the greater of (x) \$100.0 million (or its foreign currency equivalent) and (y) 20.0% of Consolidated EBITDA of the Issuer for the Applicable Measurement Period or more at any one time outstanding;
- (5) failure by the Issuer or any Significant Subsidiary to pay final judgments aggregating in excess of the greater of (x) \$100.0 million and (y) 20.0% of Consolidated EBITDA of the Issuer for the Applicable Measurement Period (to the extent not covered by insurance as to which the

insurer has been notified of such judgment or order and has not denied its obligation), which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final and non-appealable and, in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(6) any of the following events with respect to the Issuer or any Significant Subsidiary:

(A) the Issuer or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:

- (i) commences proceedings to be adjudicated bankrupt or insolvent;
- (ii) consents to the entry of an order for relief against it in an involuntary case;
- (iii) consents to the appointment of a custodian of it or for all or substantially all of its property;
- (iv) takes any comparable action under any foreign laws relating to insolvency; or

(B) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

- (i) is for relief against the Issuer or any Significant Subsidiary in an involuntary case;
- (ii) appoints a custodian of the Issuer or any Significant Subsidiary or for all or substantially all of its property; or
- (iii) orders the winding up or liquidation of the Issuer or any Significant Subsidiary; and
- (iv) the order or decree remains unstayed and in effect for 60 days; or

(7) the Guarantee of Parent or any Subsidiary Guarantor that is a Significant Subsidiary shall for any reason cease to be in full force and effect (except as contemplated by the terms of this Indenture) or be declared null and void or any responsible officer of Parent or any Subsidiary Guarantor that is a Significant Subsidiary denies in writing that it has any further liability under its Guarantee or gives written notice to such effect, other than by reason of the termination of this Indenture or the release of any such Guarantee in accordance with this Indenture.

SECTION 5.02. Acceleration of Maturity; Rescission and Annulment.

(a) If any Event of Default (other than an Event of Default specified in Section 5.01(6)) occurs and is continuing under this Indenture, the Trustee or the Holders of at least 30% in aggregate principal amount of the then total Outstanding Notes may declare the principal, premium, if any, interest and any other monetary obligations on all the then Outstanding Notes to be due and payable immediately, by a notice in writing to the Issuer (and to the Trustee if given by Holders).

(b) Upon the effectiveness of a declaration under Section 5.02(a), such principal and interest will be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising under Section 5.01(6), all Outstanding Notes will become due and payable without further action or notice.

(c) At any time after a declaration of acceleration has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter provided in this Article, the Holders of a majority in aggregate principal amount of the then Outstanding Notes, by written notice to the Issuer and the Trustee, may, on behalf of the Holders of all the Notes, rescind and annul such acceleration and its consequences, so long as such rescission and annulment would not conflict with any judgment of a court of competent jurisdiction, if:

(1) the Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(A) all overdue interest on all Outstanding Notes,

(B) all unpaid principal of (and premium, if any, on) any Outstanding Notes which has become due otherwise than by such declaration of acceleration, and interest on such unpaid principal at the rate borne by the Notes,

(C) to the extent that payment of such interest is lawful, interest on overdue interest at the rate borne by the Notes, and

(D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; and

(2) Events of Default, other than the non-payment of amounts of principal of (or premium, if any, on) or interest on Notes, which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 5.13,

provided that no such rescission shall affect any subsequent default or impair any right consequent thereon.

(d) Notwithstanding Section 5.02(c), in the event of any Event of Default specified in Section 5.01(4), such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of the Notes) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose:

(1) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged; or

(2) the requisite holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or

(3) the default that is the basis for such Event of Default has been cured.

(e) Notwithstanding any of the foregoing in this Section 5.02, the Trustee shall have no obligation to accelerate the Notes if, in the reasonable judgment of the Trustee, acceleration is not in the interests of the Holders.

SECTION 5.03. Collection of Indebtedness and Suits for Enforcement by Trustee. The Issuer covenants that if:

(1) default is made in the payment of any installment of interest on any series of Note when such interest becomes due and payable and such default continues for a period of 30 days, or

(2) default is made in the payment of the principal of (or premium, if any, on) any series of Note at the Maturity thereof, the Issuer will, upon demand of the Trustee, pay to the Trustee for the benefit of the Holders of the Notes of such series, the whole amount then due and payable on such series of Notes for principal (and premium, if any) and interest, and interest on any overdue principal (and premium, if any) and, to the extent that payment of such interest shall be legally enforceable, upon any overdue installment of interest, at the rate borne by such series of Notes, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuer, any Guarantor or any other obligor upon the Notes and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Issuer, any Guarantor or any other obligor upon the Notes, wherever situated.

If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders under this Indenture and the Guarantees by such appropriate judicial proceedings as the Trustee shall deem necessary to protect and enforce any such rights, including seeking recourse against any Guarantor, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy, including seeking recourse against any Guarantor.

SECTION 5.04. Trustee May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Issuer or any other obligor including any Guarantor, upon the Notes or the property of the Issuer or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of any series of the Notes shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Issuer for the payment of overdue principal, premium, if any, or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(1) to file and prove a claim for the whole amount of principal (and premium, if any) and interest owing and unpaid in respect of such series of Notes and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders of such series of Notes allowed in such judicial proceeding, and

(2) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or similar official in any such judicial proceeding is hereby authorized by each Holder of any series of Notes to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders of such series, to pay the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 6.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding. The Trustee may, on behalf of the Holders, vote for the election of a trustee in bankruptcy or similar official and be a member of a creditors' committee or other similar committee.

SECTION 5.05. Trustee May Enforce Claims Without Possession of Notes. All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name and as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders in respect of which such judgment has been recovered.

SECTION 5.06. Application of Money Collected. Any money or property collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, upon presentation of the Notes of a series and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee and its agents and attorneys (including any predecessor Trustee) under Section 6.07;

SECOND: To the payment of the amounts then due and unpaid for principal of (and premium, if any) and interest on such series of Notes in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such series of Notes for principal (and premium, if any) and interest, respectively; and

THIRD: The balance, if any, to the Issuer or as a court of competent jurisdiction may direct in writing; *provided* that all sums due and owing to the Holders of such series of Notes and the Trustee have been paid in full as required by this Indenture.

The Trustee may fix a record date and payment date for any payment to Holders of the applicable series of Notes pursuant to this Section 5.06.

SECTION 5.07. Limitation on Suits. Except to enforce the right to receive payment of principal, premium, if any, or interest when due, no Holder shall pursue any remedy with respect to this Indenture or the Notes, unless:

-
- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
 - (2) Holders of at least 30% in aggregate principal amount of the total Outstanding Notes have requested the Trustee in writing to pursue the remedy;
 - (3) Holders have provided to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability, claim or expense;
 - (4) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity;
- and
- (5) Holders of a majority in principal amount of the then total Outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period,

it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders, or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders (it being further understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

SECTION 5.08. Right of Holders to Bring Suit for Payment. Subject to Sections 10.16(g) and 10.17(e), the contractual right of any Holder of any outstanding Note to bring suit for the enforcement of any payment of principal of, premium, if any, and interest on such Note, on or after the respective Maturity expressed in such Note (including in connection with an Asset Sale Offer or a Change of Control Offer), shall not be amended without the consent of such Holder.

SECTION 5.09. Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture or the Guarantees and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, any Guarantor, any other obligor of the Notes, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 5.10. Rights and Remedies Cumulative. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in the last paragraph of Section 3.06, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 5.11. Delay or Omission Not Waiver. No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 5.12. Control by Holders. The Holders of a majority in principal amount of the total Outstanding Notes shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or would involve the Trustee in personal liability. The Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

SECTION 5.13. Waiver of Past Defaults. Holders of a majority in aggregate principal amount of the then Outstanding Notes by notice to the Trustee may on behalf of the Holders of all the Notes waive any existing Default or Event of Default and its consequences under this Indenture (except (1) a continuing Default or Event of Default in the payment of interest on, premium, if any, or the principal of any such Note held by a non-consenting Holder, or (2) in respect of a covenant or provision hereof or in any Guarantee which under Article Nine cannot be modified or amended without the consent of the Holder of each Outstanding Note affected, which shall require the consent of all Holders of the Notes) and rescind any acceleration and its consequences with respect to the Notes; *provided* that such rescission would not conflict with any judgment of a court of competent jurisdiction.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

SECTION 5.14. Waiver of Stay or Extension Laws. Each of the Issuer, the Guarantors and any other obligor on the Notes covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and each of the Issuer, the Guarantors and any other obligor on the Notes (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 5.15. Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorney's fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. (1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith, gross negligence or willful misconduct on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions specifically required by any provision hereof to be provided to it, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture, but not to verify the contents thereof including the accuracy of any mathematical calculations.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own grossly negligent action, its own grossly negligent failure to act, or its own willful misconduct, except that

(1) this paragraph (c) shall not be construed to limit the effect of paragraph (a) of this Section 6.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved in a court of competent jurisdiction that the Trustee was grossly negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in aggregate principal amount of the Outstanding Notes relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture; and

(4) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers vested in it by this Indenture, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.01.

SECTION 6.02. Notice of Defaults. (4) the Trustee shall not be charged with knowledge of any fact, Default or Event of Default with respect to the Notes unless written notice of such fact, Default or Event of Default shall have been received by a Responsible Officer from the Issuer, any other obligor of the Notes or from Holders of at least 30% of the aggregate principal amount of the Notes and references this Indenture and the Notes. Delivery of any reports to the Trustee pursuant to Section 10.09 is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates);

(5) the Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with the advice or opinion of such counsel or Opinion of Counsel;

(6) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to it against any loss, liability, claim or expense;

(7) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, or inquire as to the performance by the Issuer or the Guarantors of any of their covenants in this Indenture or inquire as to the performance by the Issuer or the Guarantors of any of their covenants in this Indenture, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the expense of the Issuer and shall incur no liability of any kind by reason of such inquiry or investigation;

(8) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(9) the Trustee shall not be liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(10) the rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder whether as an Agent or otherwise, and each agent, custodian and other Person employed to act hereunder;

(11) the Trustee may request that the Issuer deliver an incumbency certificate substantially in the form of Exhibit C hereto setting forth the names of individuals or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which incumbency certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded;

(12) the Trustee shall not be required to give any note, bond or surety in respect of the execution of the trusts and powers under this Indenture;

(13) the Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture;

(14) in no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its reasonable control, including, without limitation, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunction of utilities, third-party communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices to resume performance as soon as practicable under the circumstances;

(15) in no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action; and

(16) the permissive right of the Trustee to take actions permitted by this Indenture shall not be construed as an obligation or duty to do so.

SECTION 6.04. Trustee Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and in the Notes, except for the Trustee's certificates of authentication, shall be taken as the statements of the Issuer, and neither the Trustee nor any Agent assumes responsibility for their correctness. Neither the Trustee nor any Agent makes representations as to the validity or sufficiency of this Indenture or of the Notes, except that the Trustee represents that it is duly authorized to execute and deliver this Indenture, authenticate the Notes and perform its obligations hereunder. Neither the Trustee nor any Agent shall be accountable for the use or application by the Issuer of Notes or the proceeds thereof or the Offering Memorandum or any other documents used in connection with the sale or distribution of the Notes.

SECTION 6.05. May Hold Notes. The Trustee, any Paying Agent, any Note Registrar or any other agent of the Issuer or of the Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuer with the same rights it would have if it were not the Trustee, Paying Agent, Note Registrar or such other agent; *provided*, that, if it acquires any conflicting interest (as such term is defined in the Trust Indenture Act), it must eliminate such conflict within 90 days or resign as Trustee.

SECTION 6.06. Money Held in Trust. Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing with the Issuer.

SECTION 6.07. Compensation and Reimbursement. The Issuer and the Guarantors, jointly and severally, agree:

(1) to pay to the Trustee from time to time such compensation as shall be agreed in writing between the Issuer and the Trustee for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as shall be determined to have been caused by its own gross negligence, bad faith or willful misconduct; and

(3) to indemnify the Trustee and any predecessor Trustee for, and to hold it harmless against, any and all loss, liability, claim, damage or expense, including taxes (other than the taxes based on the income of the Trustee), incurred without gross negligence, bad faith

or willful misconduct on its part, arising out of or in connection with the acceptance or administration of this trust, including the reasonable costs and expenses of defending itself against any claim regardless of whether the claim is asserted by the Issuer, a Guarantor, a Holder or any other Person or liability in connection with the exercise or performance of any of its powers or duties hereunder, including the reasonable costs and expenses of enforcing this Indenture or a Guarantee against the Issuer or a Guarantor (including this Section 6.07).

The obligations of the Issuer and the Guarantors under this Section 6.07 to compensate the Trustee, to pay or reimburse the Trustee for expenses, disbursements and advances and to indemnify and hold harmless the Trustee shall constitute additional indebtedness hereunder and shall survive the satisfaction and discharge of this Indenture and resignation or removal of the Trustee. As security for the performance of such obligations of the Issuer, the Trustee shall have a lien prior to the Notes upon all property and funds held or collected by the Trustee as such, except funds held in trust solely for the benefit of the Holders entitled thereto for the payment of principal of (and premium, if any) or interest on particular Notes.

Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses or renders services in connection with an Event of Default specified in Section 5.01(6), the expenses (including the reasonable charges and expenses of its counsel) of and the compensation for such services are intended to constitute expenses of administration under any applicable Bankruptcy Law. “Trustee” for the purposes of this Section 6.07 shall include any predecessor Trustee and the Trustee in each of its capacities hereunder and each agent, custodian and other person employed to act hereunder as permitted by this Indenture; *provided, however*, that the gross negligence, bad faith or willful misconduct of any predecessor Trustee hereunder shall not affect the rights of any other successor Trustee hereunder (other than a successor Trustee that is successor by merger or consolidation to such predecessor Trustee).

The provisions of this Section 6.07 shall survive the satisfaction and discharge of this Indenture and resignation or removal of the Trustee.

SECTION 6.08. Corporate Trustee Required; Eligibility. There shall be at all times a Trustee hereunder which shall be eligible to act as Trustee under TIA Section 310(a)(1) and shall have a combined capital and surplus of at least \$50,000,000. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of federal, State, territorial or District of Columbia supervising or examining authority, then for the purposes of this Section 6.08, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.08, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

SECTION 6.09. Resignation and Removal; Appointment of Successor.

(a) If the Trustee has or shall acquire any conflicting interest within the meaning of the Trust Indenture Act, the Trustee shall either eliminate such interest within 90 days or resign, to the extent and in the manner provided by, and subject to the provisions of, the Trust Indenture Act and this Indenture. To the extent permitted by such Act, the Trustee shall not be deemed to have a conflicting interest with respect to Notes of any series by virtue of being a trustee under this Indenture with respect to any particular series of Notes.

(b) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 6.10.

(c) The Trustee may resign at any time by giving 30 days' prior written notice thereof to the Issuer. Upon receiving such notice of resignation, the Issuer shall promptly appoint a successor trustee by written instrument, a copy of which shall be delivered to the resigning Trustee and a copy to the successor Trustee. If the instrument of acceptance by a successor Trustee required by Section 6.10 shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition, at the expense of the Issuer, any court of competent jurisdiction for the appointment of a successor Trustee.

(d) The Trustee may be removed at any time by Act of the Holders of not less than a majority in principal amount of the Outstanding Notes, delivered to the Trustee and to the Issuer 30 days prior to the removal's effectiveness. If the instrument of acceptance by a successor Trustee required by Section 6.10 shall not have been delivered to the Trustee within 30 days after the giving of such notice of removal, the Trustee being removed may petition, at the expense of the Issuer, any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, the Issuer shall promptly appoint a successor Trustee. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Notes delivered to the Issuer and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede the successor Trustee appointed by the Issuer. If no successor Trustee shall have been so appointed by the Issuer or the Holders and accepted appointment in the manner hereinafter provided, the Trustee or any Holder who has been a bona fide Holder of a Note for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) the Issuer shall give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to the Holders in the manner provided for in Section 1.07. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

SECTION 6.10. Acceptance of Appointment by Successor.

(a) Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Issuer and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on request of the Issuer or the successor Trustee, such retiring Trustee shall, upon payment of its charges and subject to its lien, if any, provided for in Section 6.07, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

(b) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be eligible under this Article.

SECTION 6.11. Merger, Conversion, Consolidation or Succession to Business. Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder; provided such corporation shall be otherwise eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Notes shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes. In case at that time any of the Notes shall not have been authenticated, any successor Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor Trustee. In all such cases such certificates shall have the full force and effect which this Indenture provides for the certificate of authentication of the Trustee shall have; provided that, the right to adopt the certificate of authentication of any predecessor Trustee or to authenticate Notes in the name of any predecessor Trustee shall apply only to its successor or successors by merger, conversion or consolidation.

SECTION 6.12. Appointment of Authenticating Agent. At any time when any of the Notes remain Outstanding, the Trustee may appoint one or more agents (each an "Authenticating Agent") with respect to the Notes which shall be authorized to act on behalf of the Trustee to authenticate Notes and the Trustee shall give written notice of such appointment to all Holders of Notes with respect to which such Authenticating Agent will serve, in the manner provided for in Section 1.07. Notes so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Any such appointment shall be evidenced by an instrument in writing signed by an authorized signatory of the Trustee, and a copy of such instrument shall be promptly furnished to the Issuer. Wherever reference is made in this Indenture to the authentication and delivery of Notes by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Issuer.

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any corporation succeeding to all or substantially all the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent; provided such corporation shall be otherwise eligible under this Section 6.12, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee and to the Issuer. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and to the Issuer. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section 6.12, the Trustee may appoint a successor Authenticating Agent which shall be acceptable to the Issuer and shall give written notice of such appointment to all Holders of Notes, in the manner provided for in Section 1.07. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section 6.12.

The Issuer agrees to pay to each Authenticating Agent from time to time such compensation for its services under this Section 6.12 as shall be agreed in writing between the Issuer and such Authenticating Agent.

If an appointment is made pursuant to this Section 6.12, the Notes may have endorsed thereon, in addition to the Trustee's certificate of authentication, an alternate certificate of authentication in the following form:

OF ALL OR SUBSTANTIALLY ALL ASSETS

SECTION 8.01. Issuer May Consolidate, Etc., Only on Certain Terms.

(a) The Issuer shall not merge, consolidate or amalgamate with or into or wind up into (whether or not the Issuer is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the properties or assets of the Issuer and its Restricted Subsidiaries, taken as a whole (net of any associated non-recourse or secured obligations), in one or more related transactions, to any Person unless:

(2) the Successor Company, if other than the Issuer, expressly assumes all the Obligations of the Issuer under this Indenture and the Notes, in each case, pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(B) the Fixed Charge Coverage Ratio for the Issuer (or the Successor Company, as applicable) and its Restricted Subsidiaries would be equal to or greater than the Fixed Charge Coverage Ratio of the Issuer and its Restricted Subsidiaries for the Applicable Measurement Period immediately prior to such transaction; and

properties and assets to another Guarantor or the Issuer, (ii) merge, consolidate or amalgamate with or into an Affiliate of the Issuer solely for the purpose of reincorporating or reorganizing the Subsidiary Guarantor in the United States, any state thereof, the District of Columbia or any territory thereof, (iii) convert into a Person organized or existing under the laws of the jurisdiction of organization of such Subsidiary Guarantor or a jurisdiction in the United States, or (iv) liquidate or dissolve or change its legal form if the Board of the Issuer or the senior management of the Issuer determines in good faith that such action is in the best interests of the Issuer and is not materially disadvantageous to the Holders, in each case, without regard to the requirements set forth in this Section 8.02.

Nothing contained in this Section 8.02 shall limit Parent Guarantor's ability to consolidate with, merge with or sell any of its assets to any Person, except the Issuer or a Subsidiary Guarantor, to the extent provided in this Section 8.02.

Notwithstanding anything to the contrary in Section 1.03 of this Indenture, no Officer's Certificate or Opinion of Counsel shall be required in connection with the merger, consolidation, amalgamation or winding up of a Subsidiary Guarantor in accordance with this Section 8.02.

SECTION 8.03. Successor Substituted. Upon any merger, consolidation or amalgamation or any sale, assignment, transfer, lease, conveyance or disposition of all or substantially all of the assets of the Issuer or any Guarantor in accordance with Sections 8.01 and 8.02 hereof, the successor Person formed by such consolidation or into which the Issuer or such Guarantor, as the case may be, is merged or the successor Person to which such sale, assignment, transfer, lease, conveyance or disposition is made, shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer or such Guarantor, as the case may be, under this Indenture or the Guarantees, as the case may be, with the same effect as if such successor Person had been named as the Issuer or such Guarantor, as the case may be, herein or the Guarantees, as the case may be. When a successor Person assumes all obligations of its predecessor hereunder, the Notes or the Guarantees, as the case may be, such predecessor shall be released from all obligations; *provided* that in the event of a transfer or lease, the predecessor shall not be released from the payment of principal and interest or other obligations on the Notes or the Guarantees, as the case may be.

ARTICLE NINE

SUPPLEMENTAL INDENTURES

SECTION 9.01. Amendments or Supplements Without Consent of Holders. The Issuer, any Guarantor (with respect to any amendment relating to its Guarantee or this Indenture) and the Trustee, at any time and from time to time, may by a supplemental indenture hereto amend or supplement this Indenture, the Notes and any Guarantee without the consent of any Holder, for any of the following purposes:

- (1) to cure any ambiguity, omission, mistake, defect or inconsistency;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes or to alter the provisions of this Indenture relating to the form of the Notes (including the related definitions) in a manner that does not materially adversely affect any Holder;
- (3) to comply with Article Eight of this Indenture;

(4) to provide for the assumption of the Issuer's or any Guarantor's obligations to the Holders pursuant to the terms of this Indenture;

(5) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under this Indenture of any such Holder in any material respect;

(6) to add covenants for the benefit of the Holders or to surrender any right or power conferred upon the Issuer or any Guarantor;

(7) to provide for the issuance of Additional Notes in accordance with the terms of this Indenture;

(8) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act, if applicable;

(9) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee or a successor Paying Agent;

(10) to add a Guarantor, a guarantee of a Parent Entity or a co-obligor of the Notes under this Indenture;

(11) to comply with the rules of any applicable securities depository;

(12) to conform the text of this Indenture, the Guarantees or the Notes to any provision of the "Description of Notes" section of the Offering Memorandum to the extent that such provision in the "Description of Notes" was intended to be a verbatim recitation of a provision of this Indenture, the Guarantees or the Notes;

(13) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of the Notes; *provided, however*, that such amendment does not materially and adversely affect the rights of Holders to transfer Notes;

(14) to secure the Notes and/or the related Guarantees; and

(15) to release any Guarantor from its Guarantee pursuant to this Indenture when permitted or required by this Indenture.

For avoidance of doubt, the Issuer need not be a party to any supplemental indenture entered into pursuant to Section 10.15 or 12.03.

SECTION 9.02. Amendments, Supplements or Waivers with Consent of Holders.

(a) With the consent of the Holders of at least a majority in principal amount of the then Outstanding Notes (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes), the Issuer, any Guarantor (with respect to any Guarantee to which it is a party or this Indenture) and the Trustee may amend or supplement this Indenture, the Notes or any Guarantee by a supplemental indenture hereto for the purpose of adding any provisions hereto or thereto, changing in any manner or eliminating any of the provisions hereof or thereof or modifying in any

manner the rights of the Holders hereunder or thereunder (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes), and any existing Default or Event of Default or compliance with any provision of this Indenture, the Notes or any Guarantee may be waived with the consent of the Holders of at least a majority in principal amount of the then Outstanding Notes (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes); *provided* that, notwithstanding the foregoing, with respect to any proposed amendment, supplement or waiver that would affect only the terms of one series of Notes and not the other series of Notes, such amendment, supplement or waiver shall require the consent (if such consent is required in accordance herewith) of the Holders of the affected series of Notes as a separate class; *provided, further*, that, without the consent of each affected Holder, no such amendment, supplement or waiver shall, with respect to any Notes held by a non-consenting Holder:

(1) reduce the principal amount of such Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the Maturity of any such Note or reduce the premium payable upon the redemption of such Notes or change the time at which such Notes may be redeemed pursuant to Section 11.01; *provided* that any amendment to the minimum notice requirement may be made with the consent of the Holders of a majority in aggregate principal amount of the then Outstanding Notes;

(3) reduce the rate of or change the time for payment of interest on any Note;

(4) waive a Default or Event of Default in the payment of principal of or premium, if any, or interest on the Notes, except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Outstanding Notes and a waiver of the payment default that resulted from such acceleration, or in respect of a covenant or provision contained in this Indenture or any Guarantee which cannot be amended or modified without the consent of all affected Holders;

(5) make any Note payable in money other than that stated therein;

(6) make any change in Section 5.13 or the rights of Holders to receive payments of principal of or premium, if any, or interest on the Notes;

(7) make any change in these amendment and waiver provisions;

(8) subject to Section 10.16(g) and 10.17(e), amend the contractual right of any Holder expressly set forth in this Indenture and the Notes to institute suit for the enforcement of any payment of principal, premium, if any, and interest on such Holder's Notes on or after the due dates therefor;

(9) make any change to or modify the ranking of the Notes that would adversely affect the Holders; or

(10) except as expressly permitted by this Indenture, modify the Guarantees of any Significant Subsidiary in any manner materially adverse to the Holders.

(b) It shall not be necessary for the consent of Holders under this Section 9.02 to approve the particular form of any proposed amendment or waiver, and it shall be sufficient if such consent approves the substance thereof.

SECTION 9.03. Execution of Amendments, Supplements or Waivers. In executing, or accepting the additional trusts created by, any amendment, supplement or waiver permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be provided with, and shall be fully protected in relying upon, an Officer's Certificate and Opinion of Counsel stating that the execution of such amendment, supplement or waiver is authorized and permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuer and any Guarantors party thereto, enforceable against them in accordance with its terms, subject to customary exceptions and qualifications, and complies with the provisions hereof. The Trustee has no duty to determine whether a supplemental indenture under this Article Nine need be entered into or whether any provisions of any supplemental indenture are correct. The Trustee shall not be responsible for the Issuer's failure to comply with this Article. Guarantors may, but shall not be required to, execute supplemental indentures that do not modify such Guarantor's Guarantee. The Trustee may, but shall not be obligated to, enter into any such amendment, supplement or waiver which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

SECTION 9.04. Effect of Amendments, Supplements or Waivers. Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such amendment, supplement or waiver shall form a part of this Indenture for all purposes; and every Holder of Notes theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 9.05. [Reserved].

SECTION 9.06. Reference in Notes to Supplemental Indentures. Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Issuer shall so determine, new Notes so modified as to conform, in the opinion of the Trustee and the Issuer, to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

SECTION 9.07. Notice of Supplemental Indentures. Promptly after the execution by the Issuer, any Guarantor and the Trustee of any supplemental indenture pursuant to the provisions of Section 9.02, the Issuer shall give notice thereof to the Holders of each Outstanding Note affected, in the manner provided for in Section 1.07, setting forth in general terms the substance of such supplemental indenture; *provided* that failure to give such notice shall not impair the validity of such supplemental indenture.

ARTICLE TEN

COVENANTS

SECTION 10.01. Payment of Principal, Premium, if any, and Interest. The Issuer covenants and agrees for the benefit of the Holders that it will duly and punctually pay the principal of (and premium, if any) and interest on each series of the Notes in accordance with the terms of the Notes of such series and this Indenture.

The Issuer shall pay interest on overdue principal at the rate specified therefor in the Notes of applicable series, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

SECTION 10.02. Maintenance of Office or Agency. The Issuer will maintain in The City of New York, an office or agency where Notes may be presented or surrendered for payment, where Notes may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The designated office of the Trustee shall be such office or agency of the Issuer in The City of New York, unless the Issuer shall designate and maintain some other office or agency for one or more of such purposes. The Issuer will give prompt written notice to the Trustee of any change in the location of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Issuer hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind any such designation; provided, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency in The City of New York. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and any change in the location of any such other office or agency.

SECTION 10.03. Money for Notes Payments to Be Held in Trust. If the Issuer shall at any time act as its own Paying Agent, it will, on or before each due date of the principal of (or premium, if any) or interest on any of the Notes, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal of (or premium, if any) or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee in writing of its action or failure so to act.

Whenever the Issuer shall have one or more Paying Agents for the Notes, it will, on or before each due date of the principal of (or premium, if any) or interest on any Notes in accordance with Section 10.01, deposit with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal, premium or interest, and (unless such Paying Agent is the Trustee) the Issuer will promptly notify the Trustee in writing of such action or any failure so to act.

Each Paying Agent agrees:

(1) that it will hold all sums received by it as Paying Agent for the payment of the principal of or interest on any Notes in trust for the benefit of the Holders or of the Trustee;

(2) that it will give the Trustee notice of any failure by the Issuer to make any payment of the principal of or interest on any Notes and any other payments to be made by or on behalf of the Issuer under this Indenture or the Notes when the same shall be due and payable; and

(3) that it will pay any such sums so held in trust by it to the Trustee forthwith upon the Trustee's written request at any time during the continuance of the failure referred to in clause (2) above.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Issuer or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such sums.

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of (or premium, if any) or interest on any Note and remaining unclaimed for two years after such principal, premium or interest has become due and payable shall be paid to the Issuer on Issuer Request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as Trustee thereof, shall thereupon cease; *provided*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in the Borough of Manhattan, The City of New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

SECTION 10.04. Organizational Existence. Subject to Article Eight, the Issuer will do or cause to be done all things necessary to preserve and keep in full force and effect its organizational existence and that of each Restricted Subsidiary and the rights and franchises of the Issuer and each Restricted Subsidiary to conduct business; *provided*, that the Issuer shall not be required to preserve any such right or franchise if the Board of the Issuer shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuer and its Subsidiaries, taken as a whole. For the avoidance of doubt, the Issuer and its Restricted Subsidiaries will be permitted to change their organizational form; provided that for so long as the Issuer is organized as a partnership or a limited liability company, it will maintain a corporate co-issuer of the Notes.

SECTION 10.05. Payment of Taxes and Other Claims. The Issuer will pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (1) all taxes, assessments and governmental charges levied or imposed upon the Issuer or any Subsidiary or upon the income, profits or property of the Issuer or any Subsidiary and (2) all lawful claims for labor, materials and supplies, which, if unpaid, might by law become a lien upon the property of the Issuer or any Subsidiary; provided, that the Issuer shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings and for which appropriate reserves, if necessary (in the good faith judgment of management of the Issuer) are being maintained in accordance with GAAP.

SECTION 10.06. [Reserved].

SECTION 10.07. [Reserved].

SECTION 10.08. Statement by Officer as to Default.

(a) The Issuer will deliver to the Trustee within 120 days after the end of each fiscal year, an Officer's Certificate stating that a review of the activities of the Issuer and its Restricted Subsidiaries during the preceding fiscal year has been made under the supervision of the signing officer with a view to determining whether it has kept, observed, performed and fulfilled, and has caused each of

its Restricted Subsidiaries to keep, observe, perform and fulfill its obligations under this Indenture and further stating that, to the best of his or her knowledge, the Issuer during such preceding fiscal year has kept, observed, performed and fulfilled, and has caused each of its Restricted Subsidiaries to keep, observe, perform and fulfill each and every such covenant contained in this Indenture and no Default or Event of Default occurred during such year and at the date of such certificate there is no Default or Event of Default which has occurred and is continuing or, if such signers do know of such Default or Event of Default, the certificate shall describe its status, with particularity and that, to the best of his or her knowledge, no event has occurred and remains by reason of which payments on the account of the principal or interest, if any, on the Notes is prohibited or if such event has occurred, a description of the event and what action each is taking or proposes to take with respect thereto. The Officer's Certificate shall also notify the Trustee should the Issuer elect to change the manner in which it fixes its fiscal year-end. For purposes of this Section 10.08(a), such compliance shall be determined without regard to any period of grace or requirement of notice under this Indenture.

(b) When any Default has occurred and is continuing under this Indenture, the Issuer shall deliver to the Trustee by registered or certified mail or facsimile transmission an Officer's Certificate specifying such event, notice or other action within 30 days of becoming aware of such Default.

SECTION 10.09. Reports and Other Information.

(a) Following the Completion Date and so long as any Notes are outstanding, the Issuer shall furnish to the Holders:

(1) (x) all annual and quarterly financial statements substantially in forms that would be required to be contained in a filing with the SEC on Forms 10-K and 10-Q of the Issuer, if the Issuer were required to file such forms, plus a "Management's Discussion and Analysis of Financial Condition and Results of Operations," (y) with respect to the annual and quarterly information, a presentation of EBITDA and Consolidated EBITDA of the Issuer substantially consistent with the presentation thereof in the Offering Memorandum and derived from such financial information, and (z) with respect to the annual financial statements only, a report on the annual financial statements by the Issuer's independent registered public accounting firm; and

(2) within 10 Business Days after the occurrence of an event required to be therein reported, such other information containing substantially the same information that would be required to be contained in filings with the SEC on Form 8-K under Items 1.01, 1.02, 1.03, 2.01 (which, with respect to acquisitions, shall be only with respect to acquisitions that are "significant" pursuant to clauses (1) and (2) of the definition of "Significant Subsidiary" under Rule 1-02 of Regulation S-X), 2.05, 2.06, 4.01, 4.02, 5.01 and 5.02(b) (only with respect to the principal executive officer, president, principal financial officer, principal accounting officer and principal operating officer) and 5.02(c) (other than with respect to information otherwise required or contemplated by Item 402 of Regulation S-K promulgated by the SEC) as in effect on the Issue Date if the Issuer were required to file such reports; *provided, however*, that no such current report shall be required to include as an exhibit, or to include a summary of the terms of, any employment or compensatory arrangement agreement, plan or understanding between the Issuer (or any of its Subsidiaries) and any director, manager or executive officer, of the Issuer (or any of its Subsidiaries);

provided, however, that (i) in no event shall such information or reports be required to comply with Rule 3-10 of Regulation S-X promulgated by the SEC or contain separate financial statements for the Issuer, the Guarantors or other Subsidiaries the shares of which are pledged to secure the Notes or any Guarantee that would be required under (a) Section 3-09 of Regulation S-X to the extent that the Issuer determines in its good faith judgment that such information would not be material to the Holders or the business, assets, operations, financial positions or prospects of the Issuer and its Restricted Subsidiaries, (b) Section 3-10 of Regulation S-X or (c) Section 3-16 of Regulation S-X, respectively, promulgated by the SEC, (ii) in no event shall such information or reports be required to comply with Regulation G under the Exchange Act or Item 10(e) of Regulation S-K promulgated by the SEC with respect to any non-GAAP financial measures contained therein, (iii) no such information or reports referenced under clause (2) above shall be required to be furnished if the Issuer determines in its good faith judgment that such event is not material to the Holders or the business, assets, operations or financial position of the Issuer and its Restricted Subsidiaries, taken as a whole, (iv) in no event shall such information or reports be required to include any information that is not otherwise similar to information currently included in the Offering Memorandum, other than with respect to information or reports provided under clause (2) above and (v) in no event shall information or reports referenced in clause (2) above be required to include as an exhibit copies of any agreements, financial statements or other items that would be required to be filed as exhibits to a current report on Form 8-K except for (x) agreements evidencing material Indebtedness and (y) historical and pro forma financial statements to the extent reasonably available and, in any case with respect to pro forma financial statements, to include only pro forma revenues, Consolidated EBITDA and capital expenditures in lieu thereof.

All such annual information and reports shall be furnished within 90 days after the end of the fiscal year to which they relate, and all such quarterly information and reports shall be furnished within 45 days after the end of the fiscal quarter to which they relate; *provided* that the annual information and report for the first fiscal year ending after the Issue Date shall be furnished within 120 days after the end of such fiscal year; and provided further that the quarterly information and reports for the first fiscal quarter ending prior to the Issue Date and the first three fiscal quarters ending after the Issue Date shall be furnished within 60 days after the end of such applicable fiscal quarter.

At any time that any of the Issuer's Subsidiaries are Unrestricted Subsidiaries and if any such Unrestricted Subsidiary or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, would constitute a Significant Subsidiary of the Issuer, then the quarterly and annual financial information required by the preceding paragraph will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, in the "Management's Discussion and Analysis of Financial Condition and Results of Operations" or other comparable section, of the financial condition and results of operations of the Issuer and Restricted Subsidiaries separate from the financial condition and results of operations of such Unrestricted Subsidiaries of the Issuer.

The Issuer shall make available such information and such reports (as well as the details regarding the conference call described below) to any Holder and, upon request, to any beneficial owner of the Notes, in each case by posting such information and reports on its website, on Intralinks or any comparable password-protected online data system which shall require a confidentiality acknowledgment, and shall make such information and reports readily available to any Holder, any prospective investor in the Notes, any securities analyst (to the extent providing analysis of investment in the notes) or any market maker in the Notes who agrees to treat such information and reports as confidential or accesses such information and reports on Intralinks or any comparable password-protected online data system which shall require a confidentiality acknowledgment; *provided* that the Issuer shall post such information and reports thereon and make readily available any password or other login information to any such Holder, bona fide prospective investor, securities analyst or market maker; provided, further, however, that the Issuer may deny access to any competitively-sensitive information and reports otherwise to be provided pursuant to this paragraph to any such Holder, prospective investor, security analyst or market maker that is a competitor of the Issuer and its Subsidiaries to the extent that the Issuer

determines in good faith that the provision of such information and reports to such Person would be competitively harmful to the Issuer and its Subsidiaries; and *provided, further*, that such Holders, prospective investors, security analysts or market makers shall agree to (i) treat all such reports (and the information contained therein) and information as confidential, (ii) not use such reports and the information contained therein for any purpose other than their investment or potential investment in the Notes and (iii) not publicly disclose any such reports (and the information contained therein). The Issuer (or a Parent Entity) shall hold a quarterly conference call for all Holders and securities analysts (to the extent providing analysis of investment in the Notes) to discuss such financial information (including a customary Q&A session) no later than ten Business Days after distribution of such financial information.

(b) The Issuer shall provide S&P and Moody's (and their respective successors) with information on a periodic basis as S&P or Moody's, as the case may be, shall reasonably require in order to maintain public ratings of the Notes. In addition, to the extent not satisfied by the foregoing, the Issuer shall furnish to prospective investors, upon their request, any information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act so long as the Notes are not freely transferable under the Securities Act.

(c) The Issuer may satisfy its obligations under this Section 10.09 with respect to financial information relating to the Issuer by furnishing financial and other information relating to any Parent Entity instead of the Issuer; *provided* that to the extent such Parent Entity holds assets (other than its direct or indirect interest in the Issuer and WMMRC) that exceeds the lesser of (i) 1.0% of consolidated revenues of such Parent Entity and (ii) 1.0% of the total consolidated revenue for the preceding fiscal year of such Parent Entity, then such information related to such Parent Entity shall be accompanied by consolidating information, which may be unaudited, that explains in reasonable detail the differences between the information of such Parent Entity, on the one hand, and the information relating to the Issuer and its Subsidiaries on a stand-alone basis, on the other hand.

(d) The Issuer shall be deemed to have furnished the financial statements and other information referred to in Section 10.09(a)(1) and (2) if the Issuer or any Parent Entity has filed reports containing such information with the SEC.

To the extent any information is not provided within the time periods specified in this Section 10.09 and such information is subsequently provided, the Issuer shall be deemed to have satisfied its obligations with respect thereto at such time and any Default with respect thereto shall be deemed to have been cured. The Trustee shall have no responsibility to determine if the Issuer has filed any statements or information with the SEC or posted such statements or information on its website or Intralinks or any comparable password-protected online data system.

SECTION 10.10. Limitation on Restricted Payments.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly:

(I) declare or pay any dividend or make any payment or distribution on account of the Issuer's or any of its Restricted Subsidiaries' Equity Interests (in each case, solely to a holder of Equity Interests in such Person's capacity as a holder of such Equity Interests), including any dividend or distribution payable in connection with any merger, amalgamation or consolidation other than:

(A) dividends, payments or distributions by the Issuer payable solely in Equity Interests (other than Disqualified Stock) of the Issuer or in options, warrants or other rights to purchase such Equity Interests (other than Disqualified Stock); or

(B) dividends, payments or distributions by a Restricted Subsidiary so long as, in the case of any dividend, payment or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary other than a Wholly-Owned Subsidiary of the Issuer, the Issuer or a Restricted Subsidiary receives at least its pro rata share of such dividend, payment or distribution in accordance with its Equity Interests in such class or series of securities;

(II) purchase, redeem, defease or otherwise acquire or retire for value any Equity Interests of the Issuer or any Parent Entity, including in connection with any merger, amalgamation or consolidation, in each case held by a Person other than the Issuer or a Restricted Subsidiary;

(III) make any principal payment on, or redeem, repurchase, defease, discharge or otherwise acquire or retire for value, in each case prior to any scheduled repayment, sinking fund payment or maturity, any Subordinated Indebtedness of the Issuer or any Guarantor, other than:

(A) Indebtedness permitted to be incurred or issued under clauses (11), (12) or (13) of Section 10.11(b); or

(B) the redemption, defeasance, purchase, repurchase, discharge or other acquisition of Subordinated Indebtedness purchased in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of redemption, defeasance, purchase, repurchase, discharge or acquisition; or

(IV) make any Restricted Investment

(all such payments and other actions set forth in clauses (I) through (IV) above (other than any exceptions thereto) being collectively referred to as "Restricted Payments"), unless, at the time of such Restricted Payment:

(1) in the case of a Restricted Payment other than a Restricted Investment, no Event of Default shall have occurred and be continuing or would occur as a consequence thereof (and, in the case of a Restricted Investment utilizing clause (3)(f) of this Section 10.10 (a), no Event of Default described under Section 5.01(1), (2) or (6) shall have occurred and be continuing or would occur as a consequence thereof);

(2) except in the case of a Restricted Investment, immediately after giving effect to such transaction on a pro forma basis, the Issuer could incur \$1.00 of additional Indebtedness under Section 10.11(a); and

(3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Issuer and its Restricted Subsidiaries after the Completion Date (including Restricted Payments permitted by clauses (1), (6)(C) and (8) of Section 10.10(b), but excluding all other Restricted Payments permitted by Section 10.10(b)), is less than the sum of (without duplication):

(a) 50.0% of the Consolidated Net Income of the Issuer for each fiscal quarter from the first day of the fiscal quarter during which the Issue Date occurs (including the predecessor of the Issuer for such fiscal quarter) to the end of the Issuer's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment, or, in the case such Consolidated Net Income for such period is a deficit, minus 100% of such deficit (taken as one accounting period), *plus*

(b) 100% of the aggregate net cash proceeds and the fair market value of marketable securities or other property received by the Issuer and its Restricted Subsidiaries since immediately after the Completion Date (other than net cash proceeds to the extent such net cash proceeds have been used to incur Indebtedness or issue Disqualified Stock or Preferred Stock pursuant to Section 10.11(b)(16)(a) from the issue or sale of:

(x) (A) Equity Interests of the Issuer, including Treasury Capital Stock (as defined below), but excluding cash proceeds and the fair market value of marketable securities or other property received from the sale of:

(i) Equity Interests to any future, current or former employees, directors, managers or consultants of the Issuer, its Subsidiaries or any Parent Entity after the Completion Date to the extent such amounts have been applied to Restricted Payments made in accordance with Section 10.10(b)(4); and

(ii) Designated Preferred Stock; and

(B) Equity Interests of Parent Entities, to the extent such net cash proceeds are actually contributed to the Issuer (excluding contributions of the proceeds from the sale of Designated Preferred Stock of such companies or contributions to the extent such amounts have been applied to Restricted Payments made in accordance with Section 10.10(b)(4)); or

For purposes of determining compliance with this Section 10.10, in the event that a proposed Restricted Payment or Investment (or a portion thereof) meets the criteria of more than one of the categories of Restricted Payments described in the preceding clauses (1) through (19) of Section 10.10(b) and/or one or more of the clauses contained in the definition of "Permitted Investments," or is entitled to be made pursuant to Section 10.10(a), the Issuer shall be entitled to divide or classify (or later divide, classify or reclassify in whole or in part in its sole discretion) such Restricted Payment or Investment (or portion thereof) among such clauses (1) through (19) of Section 10.10(b) and/or Section 10.10(a) and/or one or more of the clauses contained in the definition of "Permitted Investments," in a manner that otherwise complies with this Section 10.10.

(c) For purposes of determining compliance with this Section 10.11,

(1) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of permitted Indebtedness, Disqualified Stock or Preferred Stock described in clauses (1) through (37) of Section 10.11(b) or is entitled to be incurred pursuant to Section 10.11(a), the Issuer, in its sole discretion, shall divide, classify or reclassify all or a portion of such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) in any manner that complies with this covenant and will only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock (or portion thereof) in one of the above clauses or paragraphs;

(2) at the time of incurrence, the Issuer shall be entitled to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in Sections 10.11(a) and (b); and

(3) the principal amount of Indebtedness outstanding under any clause of this covenant shall be determined after giving effect to the application of proceeds of any Indebtedness incurred to refinance any such Indebtedness.

Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock will not be deemed to be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this Section 10.11. If Indebtedness originally incurred in reliance upon a percentage of Consolidated EBITDA under clause (1) of Section 10.11(b) is being refinanced under clause (1) of Section 10.11(b) and such refinancing would cause the maximum amount of Indebtedness thereunder to be exceeded at such time, then such refinancing will nevertheless be permitted thereunder and such additional Indebtedness will be deemed to have been incurred under such clause (1) so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of Indebtedness being refinanced plus amounts permitted by the next sentence. Any Indebtedness incurred to refinance Indebtedness incurred pursuant to clauses (1) and (16)(b) of Section 10.11(b) shall be permitted to include additional Indebtedness, Disqualified Stock or Preferred Stock incurred to pay accrued but unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) incurred in connection with such refinancing.

(d) For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; *provided* that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced, plus the aggregate amount of accrued but unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) incurred in connection with such refinancing.

(e) The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

(f) This Indenture shall not treat (1) unsecured Indebtedness as subordinated or junior to Secured Indebtedness merely because such Indebtedness is unsecured or (2) Senior Indebtedness as subordinated or junior to any other Senior Indebtedness solely because such Indebtedness has a junior priority with respect to shared collateral or because it is guaranteed by other obligors.

SECTION 10.12. Limitation on Liens. The Issuer shall not, and shall not permit any Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) (each, a "Subject Lien") that secures Obligations under any Indebtedness or any related guarantee of Indebtedness on any asset or property of the Issuer or any Guarantor, unless (a) the Notes (or the related Guarantee in the case of Liens on assets of a Guarantor) are secured equally and ratably with, or on a senior basis to, (or on a senior basis to, in the case such Subject Lien secures any Subordinated Indebtedness) the Obligations secured by such Subject Lien until such time as such Obligations are no

longer secured by a Lien or (b) such Subject Lien is a Permitted Lien. Any Lien created for the benefit of the Holders pursuant to this Section 10.12 shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Lien that gave rise to the obligation to secure the Notes.

SECTION 10.13. Limitation on Transactions with Affiliates.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Issuer (each of the foregoing, an "Affiliate Transaction") involving aggregate payments or consideration in excess of the greater of (x) \$25.0 million and (y) 5.0% of Consolidated EBITDA of the Issuer for the Applicable Measurement Period, unless:

(1) such Affiliate Transaction is on terms, taken as a whole, that are not materially less favorable to the Issuer or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm's-length basis or, if in the good faith judgment of the Issuer, no comparable transaction is available with which to compare such Affiliate Transaction, such Affiliate Transaction is otherwise fair to the Issuer or such Restricted Subsidiary from a financial point of view and when such transaction is taken in its entirety; and

(2) the Issuer delivers to the Trustee with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of the greater of (x) \$50.0 million and (y) 10.0% of Consolidated EBITDA of the Issuer for the Applicable Measurement Period, a resolution adopted by a majority of the Board of the Issuer approving such Affiliate Transaction and set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with clause (1) above.

(b) The foregoing provisions shall not apply to the following:

(3) (A) the payment of management, consulting, monitoring, transaction, advisory and other fees, indemnities and expenses to the Investors (plus any unpaid management, consulting, monitoring, transaction, advisory and other fees, indemnities and expenses accrued in any prior year) and any termination fees (including any such cash lump sum or present value fee upon the consummation of a corporate event), and (B) the payment of indemnification and other similar amounts to the Investors and reimbursement of expenses of the Investors, in each case, approved by, or pursuant to arrangements approved by, a majority of the members of the Board of the Issuer;

(4) the payment of reasonable and customary fees and compensation paid to, and indemnities and reimbursements and employment and severance arrangements provided to or on behalf of, or for the benefit of, former, current or future officers, directors, managers, employees or consultants (or their respective Controlled Investment Affiliates or Immediate Family Members, or any permitted transferee) of the Issuer, any Restricted Subsidiary of the Issuer or any Parent Entity;

(5) transactions in which the Issuer or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable, when taken as a whole, to the Issuer or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm's length basis;

(6) any agreement or arrangement as in effect or contemplated in the good faith determination of the Issuer as of the Completion Date, or any amendment thereto (so long as any such amendment is not disadvantageous in any material respect in the good faith judgment of the Board of the Issuer or the senior management of the Issuer to the Holders when taken as a whole as compared to the applicable agreement as in effect on the Completion Date);

(7) the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under the terms of, any stockholders agreement or the equivalent (including any registration rights agreement or purchase agreement related thereto) to which it (or any Parent Entity) is a party in connection with the Merger and any similar agreements which it (or any Parent Entity) may enter into thereafter; *provided, however*, that the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries (or such Parent Entity) of obligations under any future amendment to any such existing agreement or under any similar agreement entered into after the Completion Date shall only be permitted by this clause (7) to the extent that the terms of any such amendment or new agreement are not otherwise disadvantageous in any material respect in the good faith judgment of the Board of the Issuer or the senior management thereof to the Holders when taken as a whole as compared to the applicable agreement as in effect on the Completion Date;

(8) the Transactions and the payment of all fees and expenses related to the Transactions, including Transaction Expenses;

(12) payments, loans, advances or guarantees (or cancellation of loans, advances or guarantees) to future, current or former employees, directors, officers, managers or consultants (or their respective Controlled Investment Affiliates or Immediate Family Members, or any permitted transferee thereof) of the Issuer, any of its Subsidiaries or any Parent Entity and employment agreements, consulting agreements, indemnification agreements, employee benefit plans, stock option plans and other compensatory or severance arrangements (and any successor plans thereto) and any supplemental executive retirement benefit plans or similar arrangements with any such employees, directors, officers, managers or consultants (or their respective Controlled Investment Affiliates or Immediate Family Members, or any permitted transferee thereof) (including salary or guaranteed payments and bonuses) which, in each case, are approved by the Board of the Issuer or the senior management of the Issuer in good faith;

(14) transactions with a Person that is an Affiliate of the Issuer arising solely because the Issuer or any Restricted Subsidiary owns any Equity Interest in, or controls, such Person;

(15) any lease entered into between the Issuer or any Restricted Subsidiary, as lessee and any Affiliate of the Issuer, as lessor, which is approved by the Board of the Issuer or the senior management of the Issuer in good faith;

(15) the requirement of any Securitization, Warehouse Facility or MSR Facility that are exclusively applicable to any Securitization Entity, Warehouse Facility Trust, MSR Facility Trust or special purpose Subsidiary of the Issuer formed in connection therewith;

(16) restrictions that are or were created by virtue of any transfer of, agreement to transfer or option or right with respect to, any property not otherwise prohibited under this Indenture that limit the right of such Subsidiary to dispose of such property; and

(17) any encumbrances or restrictions of the type referred to in clauses (a), (b) and (c) of this Section 10.14 imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (16) of this Section 10.14; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Issuer, not materially more restrictive with respect to such encumbrance and other restrictions taken as a whole than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

For purposes of determining compliance with this Section 10.14, (A) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (B) the subordination of loans and advances made to the Issuer or a Restricted Subsidiary to other Indebtedness incurred by the Issuer or such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

SECTION 10.15. Limitation on Guarantees of Indebtedness by Restricted Subsidiaries. The Issuer shall not permit any of its Domestic Subsidiaries that is a Wholly-Owned Subsidiary (and any Domestic Subsidiary that is a non-Wholly-Owned Subsidiary if such non-Wholly-Owned Subsidiary guarantees other capital markets debt securities of the Issuer or any Guarantor), other than (a) an Excluded Restricted Subsidiary, (b) an MSR Facility Trust, a Securitization Entity or a Warehouse Facility Trust, (c) a Guarantor or (d) a Foreign Subsidiary or a FSHCO, to guarantee the payment of (i) any Credit Facility permitted under Section 10.11(b)(1) or (ii) capital markets debt securities of the Issuer or any other Guarantor in an aggregate principal amount in excess of \$25.0 million unless:

(1) such Restricted Subsidiary within 30 days executes and delivers a supplemental indenture to this Indenture in substantially the form of Exhibit B hereto providing for a Guarantee by such Restricted Subsidiary, except that with respect to a guarantee of Indebtedness of the Issuer or any Guarantor, if such Indebtedness is by its express terms subordinated in right of payment to the Notes or such Guarantor's Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Guarantee substantially to the same extent as such Indebtedness is subordinated to the Notes; and

(2) such Restricted Subsidiary waives and shall not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Issuer or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Guarantee;

provided that this Section 10.15 shall not be applicable to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary. The Issuer may elect, in its sole discretion, to cause any Subsidiary that is not otherwise required to be a Guarantor to become a Guarantor, in which case such Subsidiary shall not be required to comply with the 30 day period described in clause (1) above.

Each Guarantee shall be released in accordance with the provisions of this Indenture pursuant to Article Twelve.

SECTION 10.16. Change of Control.

(a) If a Change of Control occurs after the Completion Date, unless, prior to, or concurrently with, the time the Issuer is required to make a Change of Control Offer (as defined below), the Issuer has previously or concurrently mailed or delivered, or otherwise sent through electronic transmission, a redemption notice with respect to all the Outstanding Notes of such series as described under Section 4.01 or Section 11.06, the Issuer shall make an offer to purchase all of the Notes of such series pursuant to the offer described below (the "Change of Control Offer") at a price in cash (the "Change of Control Payment") equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to, but excluding, the date of purchase, subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date falling on or prior to the Change of Control Payment Date (as defined below). Within 30 days following any Change of Control, the Issuer shall send notice of such Change of Control Offer electronically or by first-class mail, with a copy to the Trustee sent in the same manner, to each Holder to the address of such Holder appearing in the Note Register or otherwise in accordance with the procedures of the Depository, with the following information:

(1) that a Change of Control Offer is being made pursuant to this Section 10.16 and that all Notes properly tendered pursuant to such Change of Control Offer shall be accepted for payment by the Issuer;

(2) the purchase price and the purchase date, which will be no earlier than ten days nor later than 60 days from the date such notice is sent (the "Change of Control Payment Date"), except in the case of a conditional Change of Control Offer made in advance of a Change of Control pursuant to Section 10.16(e);

(3) that any Note not properly tendered shall remain outstanding and continue to accrue interest;

(4) that, unless the Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest on the Change of Control Payment Date;

(5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of such Notes completed or otherwise in accordance with the procedures of the Depository, to the Paying Agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(6) that Holders will be entitled to withdraw their tendered Notes and their election to require the Issuer to purchase such Notes; *provided* that the Paying Agent receives, not later than the close of business on the second Business Day prior to the expiration time of the Change of Control Offer, an electronic transmission (in PDF), a facsimile transmission or letter setting forth the name of the Holder or otherwise in accordance with the procedures of the Depository, the principal amount of the Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;

(7) that if less than all of such Holder’s Notes are tendered for purchase, such Holder will be issued new Notes and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered; *provided* that the unpurchased portion of the Notes must be equal to at least \$2,000 or an integral multiple of \$1,000 in excess of \$2,000;

(8) if such notice is sent prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control and describing each such condition, and, if applicable, stating that, in the Issuer’s discretion, the Change of Control Payment Date may be delayed until such time (including more than 60 days after the notice is mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied, or that such purchase may not occur and such notice may be rescinded in the event that the Issuer shall determine that any or all such conditions shall not have been satisfied by the Change of Control Payment Date, or by the Change of Control Payment Date as so delayed; and

(9) such other instructions, as determined by the Issuer, consistent with this Section 10.16, that a Holder must follow.

(b) While the Notes are in global form and the Issuer makes an offer to purchase all of the Notes pursuant to the Change of Control Offer, a Holder may exercise its option to elect for the purchase of Notes through the facilities of the Depository, subject to its rules and regulations.

(c) The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in this Indenture by virtue thereof.

(d) On the Change of Control Payment Date, the Issuer shall, to the extent permitted by law,

(1) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered; and

(3) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Issuer.

(e) The Issuer shall not be required to make a Change of Control Offer if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of the making of such Change of Control Offer.

(f) With respect to the Notes of any series, if Holders of not less than 90% in aggregate principal amount of the Outstanding Notes of such series validly tender and do not withdraw such Notes in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuer as described above, purchases all of the Notes of such series validly tendered and not withdrawn by such Holders, the Issuer or such third party will have the right, upon not less than ten days nor more than 60 days' prior notice (*provided* that such notice is given not more than 30 days following such purchase pursuant to the Change of Control Offer described above), to redeem all Notes of such series that remain outstanding following such purchase at a price in cash equal to 101% of the aggregate principal amount of such Notes, plus accrued and unpaid interest on the Notes of such series that remain outstanding to, but excluding, the date of redemption (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date that is on or prior to the Redemption Date).

(g) The provisions of this Section 10.16 and the definition of "Change of Control" may be waived or modified at any time with the written consent of the Holders of a majority in aggregate principal amount of the then Outstanding Notes.

SECTION 10.17. Asset Sales.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, consummate, directly or indirectly, an Asset Sale, other than a Required Asset Sale or any Legacy Loan Portfolio Sale, unless:

(1) the Issuer or such Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the fair market value (measured at the time of contractually agreeing to such Asset Sale) of the assets sold or otherwise disposed of; and

(2) except in the case of a Permitted Asset Swap, at least 75% of the consideration for such Asset Sale (measured at the time of contractually agreeing to such Asset Sale), together with all other Asset Sales since the Completion Date (on a cumulative basis), received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; *provided* that the amount of:

(A) any liabilities (as reflected on the Issuer's or such Restricted Subsidiary's, most recent consolidated balance sheet or in the footnotes thereto, or if incurred, accrued or increased subsequent to the date of such balance sheet, such liabilities that would have been reflected on the Issuer's or such Restricted Subsidiary's consolidated balance sheet or in the footnotes thereto if such incurrence, accrual or increase had taken place on or prior to the date of such balance sheet, as determined by the Issuer) of the Issuer or any Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Notes or the Guarantees of the Notes, that are assumed by the transferee of any such assets (or are otherwise extinguished in connection with the transactions relating to such Asset Sale) pursuant to a written agreement which releases the Issuer or such Restricted Subsidiary from such liabilities;

(B) any securities, notes or other obligations or assets received by the Issuer or such Restricted Subsidiary from such transferee that are converted by the Issuer or such Restricted Subsidiary into cash or Cash Equivalents, or by their terms are required to be satisfied for cash or Cash Equivalents (to the extent of the cash or Cash Equivalents received), in each case, within 180 days following the closing of such Asset Sale; and

(C) any Designated Non-cash Consideration received by the Issuer or such Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (C) that is at that time outstanding, not to exceed the greater of (i) \$500.0 million and (ii) 100.0% of Consolidated EBITDA of the Issuer for the Applicable Measurement Period at the time of the receipt of such Designated Non-cash Consideration, with the fair market value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value,

shall, for purposes of this Section 10.17 (and no other provision of this Indenture), be deemed to be cash or Cash Equivalents.

(b) Within 450 days after the Issuer's or any Restricted Subsidiary's receipt of any Net Proceeds from any Asset Sale (the "Asset Sale Proceeds Application Period"), including a Required Asset Sale or a Legacy Loan Portfolio Sale, the Issuer or such Restricted Subsidiary, at its option, may apply an amount equal to the Net Proceeds from such Asset Sale,

(1) to repay:

(A) Obligations under a Credit Facility to the extent such Obligations were incurred under Section 10.11(b)(1) (and in the case of revolving obligations, to correspondingly reduce commitments with respect thereto);

(B) Obligations under Secured Indebtedness of the Issuer or a Guarantor (and in the case of revolving obligations, to correspondingly reduce commitments with respect thereto);

(C) Obligations under the Notes or any other Indebtedness (other than Subordinated Indebtedness) of the Issuer or any Restricted Subsidiary (and, in the case of other Senior Indebtedness, to correspondingly reduce any outstanding commitments with respect thereto, if applicable); *provided* that if the Issuer or any Restricted Subsidiary shall so repay any Senior Indebtedness other than the Notes, the Issuer shall either (i) reduce Obligations under the Notes on a pro rata basis by, at its option, (x) redeeming Notes as described under Section 11.01 or (y) purchasing Notes through open market purchases or in arm's-length privately negotiated transactions, or (ii) make an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase their Notes on a ratable basis with such other Senior Indebtedness for no less than 100% of the principal amount thereof, plus the amount of accrued but unpaid interest, if any, thereon; or

(D) Indebtedness of a Restricted Subsidiary that is not a Guarantor, other than Indebtedness owed to the Issuer or another Restricted Subsidiary;

(2) to make (A) an Investment in any one or more businesses; *provided* that such Investment in any business is in the form of the acquisition of Capital Stock and results in the Issuer or a Restricted Subsidiary, as the case may be, owning an amount of the Capital Stock of such business such that it constitutes or continues to constitute a Restricted Subsidiary, (B) capital expenditures or (C) acquisitions of other property or assets (excluding Capital Stock, but including, without limitation, Securitization Assets and assets that consist of Servicing Advances, MSRs, mortgages and other loans, mortgage related securities and derivatives, other mortgage related receivables, REO Assets, Residual Assets and other similar assets (or any interest in any of the foregoing) that are used to support or pledged to secure Permitted Funding Indebtedness), in the case of each of clauses (A), (B) and (C), either (i) that is used or useful in a Similar Business or (ii) that replace the businesses, properties and/or assets that are the subject of such Asset Sale; or

(3) any combination of the foregoing;

provided that, in the case of clause (2), a binding commitment or letter of intent shall be treated as a permitted application of the Net Proceeds from the date of such commitment or letter of intent so long as the Issuer or such Restricted Subsidiary enters into such commitment or letter of intent with the good faith expectation that such Net Proceeds will be applied to satisfy such commitment or letter of intent within 180 days of the Asset Sale Proceeds Application Period (an "Acceptable Commitment") and such Net Proceeds are actually applied in such manner within the later of 450 days from the consummation of the Asset Sale and 180 days from the date of the Acceptable Commitment, and, in the event any Acceptable Commitment is later cancelled or terminated for any reason before the Net Proceeds are applied in connection therewith, then such Net Proceeds shall constitute Excess Proceeds unless the Issuer or such Restricted Subsidiary enters into another Acceptable Commitment within 180 days of such cancellation or termination (a "Second Commitment") and such Net Proceeds are actually applied in such manner within 180 days from the date of the Second Commitment; *provided, further*, that if any Second Commitment is later cancelled or terminated for any reason before such Net Proceeds are applied, then such Net Proceeds shall constitute Excess Proceeds to the extent the Asset Sale Proceeds Application Period has expired.

(c) To the extent Net Proceeds from an Asset Sale exceed amounts that are invested or applied as provided and within the time period set forth in the preceding paragraph, such excess amount will be deemed to constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$100.0 million, the Issuer shall make an offer to all Holders and, if required or permitted by the terms of other Indebtedness that is pari passu in right of payment with the Notes ("Pari Passu Indebtedness"), to the holders of such Pari Passu Indebtedness (an "Asset Sale Offer"), to purchase the

maximum aggregate principal amount (or accreted value, as applicable) of the Notes and such Pari Passu Indebtedness, with respect to the Notes only, that is equal to \$1,000 or an integral multiple of \$1,000 in excess thereof, that may be purchased out of the Excess Proceeds at an offer price, with respect to the Notes only, in cash in an amount equal to 100% of the principal amount thereof (or accreted value thereof, if less), plus accrued and unpaid interest, if any, to, but excluding, the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture and, if applicable, the other documents governing the applicable Pari Passu Indebtedness. The Issuer shall commence an Asset Sale Offer with respect to Excess Proceeds within twenty Business Days after the date that Excess Proceeds exceed \$100.0 million by transmitting electronically or mailing a notice to the Holders, with a copy to the Trustee, which notice shall advise the Holders of the Asset Sale Offer and shall contain all information relating to the procedures for tendering Notes in the Asset Sale Offer and withdrawing Notes therefrom, in each case consistent with this Section 10.17 and determined by the Issuer to be appropriate. The Issuer may satisfy the foregoing obligation with respect to such Net Proceeds from an Asset Sale by making an Asset Sale Offer prior to the expiration of the Asset Sale Proceeds Application Period (the “Advance Offer”) with respect to all or a part of the available Net Proceeds (the “Advance Portion”) in advance of being required to do so by this Indenture.

To the extent that the aggregate principal amount (or accreted value, as applicable) of Notes and, if applicable, Pari Passu Indebtedness, tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion), the Issuer may use any remaining Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion) in any manner not prohibited by this Indenture. If the aggregate principal amount (or accreted value, as applicable) of Notes or the Pari Passu Indebtedness tendered pursuant to an Asset Sale Offer exceeds the amount of Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion), the Trustee shall select the Notes (subject to applicable Depository procedures as to Global Notes) and the Issuer or the representative of such Pari Passu Indebtedness shall select such Pari Passu Indebtedness to be purchased or repaid on a pro rata basis based on the accreted value or principal amount of the Notes or such Pari Passu Indebtedness, tendered with adjustments as necessary so that no Notes or Pari Passu Indebtedness, as the case may be, will be repurchased in part in an unauthorized denomination. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero (regardless of whether there are any remaining Excess Proceeds upon such completion), and in the case of an Advance Offer, the amount of Net Proceeds the Issuer is offering to apply in such Advance Offer shall be excluded in subsequent calculations of Excess Proceeds. Additionally, upon consummation or expiration of any Advance Offer, any remaining Net Proceeds shall not be deemed Excess Proceeds and the Issuer may use such Net Proceeds for any purpose not otherwise prohibited under this Indenture.

Pending the final application of an amount equal to the Net Proceeds pursuant to this Section 10.17, the Issuer or the applicable Restricted Subsidiary may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility or otherwise apply such Net Proceeds in any manner not prohibited by this Indenture.

(d) The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the Asset Sale provisions of this Indenture, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the Asset Sale provisions described in this Indenture by virtue of such compliance.

(e) The provisions of this Section 10.17 may be waived or modified at any time with the written consent of the Holders of a majority in aggregate principal amount of the then Outstanding Notes.

SECTION 10.18. Suspension of Covenants.

(a) If on any date following the Completion Date, with respect to a series of Notes: (1) the Notes of such series have an Investment Grade Rating from any two of the three Rating Agencies and (2) no Default has occurred and is continuing under this Indenture with respect to such series of Notes (the occurrence of the events described in the foregoing clauses (1) and (2) being collectively referred to as a “Covenant Suspension Event”), then beginning on such date and continuing until the Reversion Date (as defined below), with respect to such series of Notes, the Issuer and the Restricted Subsidiaries shall not be subject to the following provisions of this Indenture (collectively, the “Suspended Covenants”):

- (A) clause (a)(4) of Section 8.01;
- (B) Section 10.10;
- (C) Section 10.11;
- (D) Section 10.13;
- (E) Section 10.14;
- (F) Section 10.15; and
- (G) Section 10.17.

Upon the occurrence of a Covenant Suspension Event (the date of such occurrence, the “Suspension Date”), the amount of Excess Proceeds from any Asset Sale shall be reset at zero. In the event that the Issuer and the Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of the foregoing with respect to a series of Notes, and on any subsequent date (the “Reversion Date”) any two of the three Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes of such series below an Investment Grade Rating, then the Issuer and the Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants with respect to future events with respect to such series of Notes. The period of time between (and including) the Suspension Date and the Reversion Date (but excluding the Reversion Date) is referred to in this Indenture as the “Suspension Period.” The Guarantees of Notes of such series of the Guarantors shall be suspended during the Suspension Period.

(b) In the event of any such reinstatement with respect to a series of Notes, no action taken or omitted to be taken by the Issuer or any of the Restricted Subsidiaries prior to such reinstatement shall give rise to a Default or Event of Default under this Indenture with respect to such series of Notes; *provided* that (1) with respect to Restricted Payments made on or after the Reversion Date, the amount of Restricted Payments made will be calculated as though the provisions of Section 10.10 had been in effect prior to, but not during, the Suspension Period (including with respect to a Limited Condition Acquisition entered into during the Suspension Period), (2) all Indebtedness incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period (or deemed incurred or issued in connection with a Limited Condition Acquisition entered into during the Suspension Period) shall be classified to have been incurred or issued pursuant to Section 10.11(b)(4), (3) no Subsidiaries shall be designated as Unrestricted Subsidiaries during any Suspension Period, (4) any Affiliate Transaction entered into on or after the

Reversion Date pursuant to an agreement entered into during any Suspension Period shall be deemed to be permitted pursuant to clause (6) of Section 10.13(b), (5) any encumbrance or restriction on the ability of any Restricted Subsidiary that is not a Guarantor to take any action described in clauses (a) through (c) of Section 10.14 that becomes effective during any Suspension Period shall be deemed to be permitted pursuant to Section 10.14(1), (6) no Subsidiary of the Issuer shall be required to comply with the covenant described under Section 10.15 on or after the Reversion Date with respect to any guarantee entered into by such Subsidiary during the Suspension Period, and (7) all Liens created, incurred or assumed during the Suspension Period in compliance with this Indenture shall be deemed to have been outstanding on the Completion Date, so that they are classified as permitted under clause (11) of the definition of “Permitted Liens.”

During the Suspension Period, the Issuer and its Restricted Subsidiaries shall be entitled to incur Liens to the extent provided for under Section 10.12 (including, without limitation, Permitted Liens). To the extent such covenant and any Permitted Liens refer to one or more Suspended Covenants, such covenant or definition shall be interpreted as though such applicable Suspended Covenant(s) continued to be applicable during the Suspension Period (but solely for purposes of Section 10.12 and the “Permitted Liens” definition and for no other provision of this Indenture).

(c) Notwithstanding that the Suspended Covenants may be reinstated after the Reversion Date, (1) no Default, Event of Default or breach of any kind shall be deemed to exist under this Indenture, the Notes or the Guarantees with respect to the Suspended Covenants, and none of the Issuer or any of its Subsidiaries shall bear any liability for any actions taken or events occurring during the Suspension Period, or any actions taken at any time pursuant to any contractual obligation arising during any Suspension Period, in each case as a result of a failure to comply with the Suspended Covenants during the Suspension Period (or, upon termination of the Suspension Period or after that time based solely on any action taken or event that occurred during the Suspension Period), and (2) following a Reversion Date, the Issuer and each Restricted Subsidiary shall be permitted, without causing a Default or Event of Default, to honor, comply with or otherwise perform any contractual commitments or obligations arising during any Suspension Period and to consummate the transactions contemplated thereby. The Issuer shall give the Trustee prompt notice (in the form of an Officer’s Certificate) of the beginning and end of any Suspension Period.

SECTION 10.19. Activities Prior to Escrow Release. Prior to the consummation of the Merger and the occurrence of the Completion Date, the Issuer shall not engage in any business activity or enter into any transaction or agreement (other than issuing the Notes, issuing capital stock to, and receiving capital contributions from, Parent, performing its obligations in connection with the transactions under the Transaction Agreement and in respect of the Notes under this Indenture and the Escrow Agreement, consummating the Escrow Release or redeeming the Notes as set forth in Section 11.02) except in the ordinary course of business, as permitted in connection with the release of the Escrowed Property or as necessary or appropriate to effectuate the transactions contemplated in this Section 10.19.

(b) At any time prior to July 15, 2021, the Issuer may, at its option and on one or more occasions, redeem all or a part of the 2026 Notes, upon notice as set forth in Section 11.06, at a Redemption Price equal to 100% of the principal amount of the 2026 Notes redeemed plus the 2026 Applicable Premium as of, and accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the rights of Holders of record of 2026 Notes on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date falling on or prior to the Redemption Date.

2023 and thereafter	100.000%

In addition, until July 15, 2021, the Issuer may, at its option and on one or more occasions, upon notice as set forth in Section 11.06, redeem up to 40% of the aggregate principal amount of 2026 Notes (including Additional Notes of such series) issued under this Indenture at a Redemption Price (as calculated by the Issuer) equal to (i) 109.125% of the aggregate principal amount thereof (the “2026 Equity Claw Redemption Amount”), with an amount equal to or less than the net cash proceeds from one or more Equity Offerings to the extent such net cash proceeds are received by or contributed to the Issuer plus (ii) accrued and unpaid interest thereon, if any, to, but excluding, the applicable Redemption Date, subject to the right of Holders of record of 2026 Notes on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date falling on or prior to the Redemption Date; *provided* that (x) at least 50% of the sum of the aggregate principal amount of 2026 Notes originally issued under this Indenture on the Issue Date and any Additional Notes of such series issued under this Indenture after the Issue Date remains outstanding immediately after the occurrence of each such redemption and (y) each such redemption occurs within 180 days of the date of closing of each such Equity Offering.

(c) The aggregate of the 2023 Equity Claw Redemption Amount and the 2026 Equity Claw Redemption Amount shall not exceed the amount of the aggregate net cash proceeds from an Equity Offering being used to effect a redemption in connection therewith.

SECTION 11.02. Special Mandatory Redemption. If the Merger is not completed on or prior to the Escrow Outside Date or, if prior to such date, the Transaction Agreement is terminated (each, a “Special Mandatory Redemption Event”), each series of the Notes will be redeemed (such redemption, the “Special Mandatory Redemption”) in whole at a special mandatory redemption price (the “Special Mandatory Redemption Price”) equal to 100% of the initial issue price of such series of Notes, plus accrued and unpaid interest from the Issue Date to, but not including, the Special Mandatory Redemption Date (as defined below) (subject to the right of holders of record on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date).

Upon the occurrence of a Special Mandatory Redemption Event, the Issuer shall promptly (but in no event later than five Business Days following such Special Mandatory Redemption Event) notify the Trustee in writing of such event, and the Trustee shall, no later than five Business Days following receipt of such notice from the Issuer, notify the Holders (such date of notification to the Holders, the “Redemption Notice Date”) that the Notes shall be redeemed on the 15th day following the Redemption Notice Date (such date, the “Special Mandatory Redemption Date”), in each case in accordance with the applicable provisions of this Indenture. The Trustee, upon receipt of the notice specified above, on the Redemption Notice Date shall notify each Holder in accordance with the applicable provisions of this Indenture that all of the Outstanding Notes will be redeemed at the Special Mandatory Redemption Price on the Special Mandatory Redemption Date automatically and without any further action by the Holders.

On the Special Mandatory Redemption Date, the Issuer shall cause the Escrow Agent to pay to the Paying Agent for payment to each Holder the Special Mandatory Redemption Price for such Holder’s Notes and, concurrently with the payment to such Holders, deliver any excess Escrowed Property (if any) to the Issuer.

SECTION 11.03. Applicability of Article. Redemption of Notes at the election of the Issuer or otherwise, as permitted or required by any provision of this Indenture, shall be made in accordance with such provision and this Article.

SECTION 11.04. Election to Redeem; Notice to Trustee. In case of any redemption at the election of the Issuer, the Issuer shall, at least two Business Days before notice of redemption is required to be sent to Holders pursuant to Section 11.06 hereof (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date and of the principal amount of Notes to be redeemed and setting forth the section of this Indenture pursuant to which the redemption shall occur; *provided* that no Opinion of Counsel pursuant to Section 1.03 or otherwise shall be required in connection with the delivery of such notice of redemption or redemption.

SECTION 11.05. Selection by Trustee of Notes to Be Redeemed. With respect to any partial redemption or purchase of Notes made pursuant to this Indenture, selection of the Notes for redemption or purchase will be made by the Trustee on a *pro rata* basis to the extent applicable or by lot or by such method as the Trustee shall deem fair and appropriate; *provided* that if the Notes are represented by Global Notes, interests in the Notes shall be selected for redemption or purchase by the Depository in accordance with its standard procedures therefor; *provided, further*, that no Notes of less than \$2,000 can be redeemed or repurchased in part. Such Notes to be redeemed or purchased shall be selected, unless otherwise provided herein, at least ten days, but except as set forth in Section 11.06, not more than 60 days prior to the Redemption Date from the Outstanding Notes not previously called for redemption or purchase.

The Trustee shall promptly notify the Issuer in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

With respect to Notes represented by certificated notes, if any Notes are to be purchased or redeemed in part only, the Issuer will issue a new Note in a principal amount equal to the unredeemed or unpurchased portion of the original Note in the name of the Holder thereof upon cancellation of the original Note; *provided* that the new Notes will be only issued in denominations of \$2,000 and integral multiple of \$1,000 in excess thereof.

SECTION 11.06. Notice of Redemption. The Issuer shall deliver electronically, in accordance with the Depository procedures in the case of Global Notes, or mail by first-class mail, postage prepaid, notices of redemption at least ten days (or such shorter period as is specified solely in respect of any Special Mandatory Redemption), but except as set forth in this Section 11.06, not more than 60 days before the Redemption Date specified in any such notice to each Holder at such Holder's registered address or otherwise in accordance with the procedures of the Depository, except that redemption notices may be delivered or mailed more than 60 days prior to a Redemption Date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture. Notice of redemption may be conditional.

All notices of redemption shall state:

- (1) the Redemption Date,
- (2) the Redemption Price, or if not then ascertainable, the manner of calculation thereof,
- (3) in the case of certificated Notes, if less than all Outstanding Notes are to be redeemed, the identification (and, in the case of a partial redemption, the principal amounts) of the particular Notes to be redeemed.
- (4) if any Note is to be redeemed or purchased in part only, the portion of the principal amount of that Note that is to be redeemed or purchased and that, after the

Redemption Date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed or unpurchased portion of the original Note representing the same indebtedness to the extent not redeemed or purchased will be issued in the name of the Holder thereof upon cancellation of the original Note,

(5) that on the Redemption Date, the Redemption Price (and accrued interest, if any, to but not including the Redemption Date payable as provided in Section 11.08) will become due and payable upon each such Note, or the portion thereof, to be redeemed, and that interest thereon will cease to accrue on and after the Redemption Date,

(6) any condition precedent to the redemption;

(7) the place or places where such Notes are to be surrendered for payment of the Redemption Price and accrued but unpaid interest, if any,

(8) the name and address of the Paying Agent,

(9) that Notes called for redemption must be surrendered to the Paying Agent to collect the Redemption Price,

(10) the CUSIP, ISIN or Common Code number and that no representation is made as to the accuracy or correctness of the CUSIP, ISIN or Common Code number, if any, listed in such notice or printed on the Notes, and

(11) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes are to be redeemed.

Notice of redemption of Notes to be redeemed at the election of the Issuer shall be given by the Issuer or, at the Issuer's request and provision of such notice information five Business Days (unless a shorter notice shall be agreed to by the Trustee) prior to the date notice is to be given, by the Trustee in the name and at the expense of the Issuer.

Notice of any redemption of the Notes (including upon an Equity Offering or in connection with another transaction (or series of related transactions) or an event that constitutes a Change of Control) may, at the Issuer's discretion, be given prior to the completion or the occurrence thereof and any such redemption or notice may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion or occurrence of the related Equity Offering or other transaction or event, as the case may be. In addition, if such redemption or purchase is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Issuer's discretion, the Redemption Date may be delayed until such time (including more than 60 days after the date the notice of redemption was mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date as so delayed, or such notice may be rescinded at any time in the Issuer's discretion if in the good faith judgment of the Issuer any or all of such conditions will not be satisfied. In addition, the Issuer may provide in such notice that payment of the Redemption Price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person. In no event shall the Trustee be responsible for monitoring, or charged with knowledge of, the maximum aggregate amount of the Notes eligible under this Indenture to be redeemed.

If any such condition precedent has not been satisfied, the Issuer shall provide written notice to the Trustee thereof. Upon receipt, the Trustee shall provide such notice to each Holder of the Notes in the same manner in which the notice of redemption was given.

SECTION 11.07. Deposit of Redemption Price. On or prior to any Redemption Date, the Issuer shall deposit with the Trustee or with a Paying Agent (or, if the Issuer is acting as its own Paying Agent, segregate and hold in trust as provided in Section 10.03) an amount of money sufficient to pay the Redemption Price of, and accrued but unpaid interest, if any, on, all the Notes which are to be redeemed on such Redemption Date.

SECTION 11.08. Notes Payable on Redemption Date. Notice of redemption having been given as aforesaid, the Notes so to be redeemed shall, on the Redemption Date, become due and payable, unless such redemption is conditioned on the happening of a future event, at the Redemption Price therein specified (together with accrued but unpaid interest, if any, to the Redemption Date), and from and after such Redemption Date (unless the Issuer shall default in the payment of the Redemption Price and accrued but unpaid interest, if any), such Notes shall cease to bear interest. Upon surrender of any such Note for redemption in accordance with said notice, such Note shall be paid by the Issuer at the Redemption Price, together with accrued but unpaid interest, if any, to, but excluding, the Redemption Date and such Notes shall be canceled by the Trustee; *provided* that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Notes, or one or more Predecessor Notes, registered as such at the close of business on the relevant Regular Record Dates according to their terms and the provisions of Section 3.07.

If any Note called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate borne by such Note, unless such redemption is conditioned on the happening of a future event.

SECTION 11.09. Notes Redeemed in Part. Any Note which is to be redeemed only in part (pursuant to the provisions of this Article) shall be surrendered at an office or agency of the Issuer maintained for such purpose pursuant to Section 10.02 (with, if the Issuer or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuer and the Trustee duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing), and the Issuer shall execute, and the Trustee shall authenticate and deliver to the Holder of such Note without service charge, a new Note or Notes, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Note so surrendered.

SECTION 11.10. Mandatory Redemption: Open Market Purchases. The Issuer shall not be required to make any mandatory redemption (other than the Special Mandatory Redemption, as applicable, pursuant to Section 11.02) or sinking fund payments with respect to the Notes. The Issuer, the Investors and their respective Affiliates may, at their discretion, at any time and from time to time, acquire Notes by means other than a redemption, whether by tender offer, open market purchases, negotiated transactions or otherwise.

SECTION 11.11. Tender Offer Optional Redemption. In connection with any tender offer for the Notes of any series, if Holders of not less than 90% in aggregate principal amount of the Outstanding Notes of such series validly tender and do not withdraw such Notes in such tender offer and the Issuer, or any third party making such tender offer in lieu of the Issuer, purchases all of the Notes of such series validly tendered and not withdrawn by such Holders, the Issuer or such third party will have the right upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following such purchase date, to redeem (with respect to the Issuer) or purchase (with respect to a third party) all Notes of such series that remain outstanding following such purchase at a price equal to the

price paid to each other Holder in such tender offer (which may be less than par) plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to, but excluding, the Redemption Date or purchase date, subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date falling on or prior to the Redemption Date or purchase date.

ARTICLE TWELVE

GUARANTEES

SECTION 12.01. Guarantees. Subject to this Article Twelve, each Guarantor jointly and severally, unconditionally and irrevocably guarantees the Notes and obligations of the Issuer hereunder and thereunder, and guarantees to each Holder of a Note authenticated and delivered by the Trustee, and to the Trustee for itself and on behalf of such Holder, that: (1) the principal of (and premium, if any) and interest on the Notes will be paid in full when due, whether at Stated Maturity, by acceleration or otherwise (including the amount that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Law), together with interest on the overdue principal, if any, and interest on any overdue interest, to the extent lawful, and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder will be paid in full or performed, all in accordance with the terms hereof and thereof; and (2) in case of any extension of time of payment or renewal of any Notes or of any such other obligations, the same shall be paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise, subject, however, in the case of clauses (1) and (2) above, to the limitation set forth in Section 12.04 hereof.

Each Guarantor hereby agrees (to the extent permitted by applicable law) that its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, any release of any other Guarantor, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor.

Each Guarantor hereby waives (to the extent permitted by law) the benefits of diligence, presentment, demand for payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer or any other Person, protest, notice and all demands whatsoever and covenants that the Guarantee of such Guarantor shall not be discharged as to any Note except by complete performance of the obligations contained in such Note, this Indenture and such Guarantee. Each Guarantor acknowledges that the Guarantee is a guarantee of payment, performance and compliance when due and not of collection. Each of the Guarantors hereby agrees that, in the event of a default in payment of principal (or premium, if any) or interest on such Note or in payment of any other obligations hereunder, whether at its Stated Maturity, by acceleration, purchase or otherwise, legal proceedings may be instituted by the Trustee on behalf of itself or on behalf of, or by, the Holder of such Note, subject to the terms and conditions set forth in this Indenture, directly against each of the Guarantors to enforce such Guarantor's Guarantee without first proceeding against the Issuer or any other Guarantor. Each Guarantor agrees that if, after the occurrence and during the continuance of an Event of Default, the Trustee or any of the Holders are prevented by applicable law from exercising their respective rights to accelerate the Maturity of the Notes, to collect interest on the Notes, or to enforce or exercise any other right or remedy with respect to the Notes, such Guarantor shall pay to the Trustee for the account of the Holder, upon demand therefor, the amount that would otherwise have been due and payable had such rights and remedies been permitted to be exercised by the Trustee or any of the Holders.

If any Holder or the Trustee is required by any court or otherwise to return to the Issuer or any Guarantor, or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or any Guarantor, any amount paid by any of them to the Trustee or such Holder, the Guarantee of each of the Guarantors, to the extent theretofore discharged, shall be reinstated in full force and effect. Each Guarantor further agrees that, as between each Guarantor, on the one hand, and the Holders and the Trustee on the other hand, (1) subject to this Article Twelve, the Maturity of the obligations guaranteed hereby may be accelerated as provided in Article Five hereof for the purposes of the Guarantee of such Guarantor notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any acceleration of such obligation as provided in Article Five hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by each Guarantor for the purpose of the Guarantee of such Guarantor.

Each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation, reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes, whether as a "voidable preference", "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

SECTION 12.02. Severability. In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby to the extent permitted by applicable law.

SECTION 12.03. Restricted Subsidiaries. The Issuer shall cause any Restricted Subsidiary required to guarantee payment of the Notes pursuant to the terms and provisions of Section 10.15 to execute and deliver to the Trustee a supplement to this Indenture substantially in the form of Exhibit B hereto in accordance with the provisions of Article Nine of this Indenture pursuant to which such Restricted Subsidiary shall guarantee all of the obligations on the Notes, whether for principal, premium, if any, interest (including interest accruing after the filing of, or which would have accrued but for the filing of, a petition by or against the Issuer under any Bankruptcy Law, whether or not such interest is allowed as a claim after such filing in any proceeding under such law) and other amounts due in connection therewith (including any fees, expenses and indemnities), on an unsecured senior basis, together with an Officer's Certificate stating that such supplemental indenture is authorized or permitted by this Indenture. Upon the execution of any such amendment or supplement, the obligations of the Guarantors and any such Restricted Subsidiary under their respective Guarantees shall become joint and several and each reference to the "Guarantor" in this Indenture shall, subject to Section 12.08, be deemed to refer to all Guarantors, including such Restricted Subsidiary. Such Guarantee shall be released in accordance with Section 8.03 and Section 12.08.

SECTION 12.04. Limitation of Guarantors' Liability. Each Guarantor and by its acceptance hereof each Holder confirms that it is the intention of all such parties that the guarantee by each such Guarantor pursuant to its Guarantee not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law or the provisions of its local law relating to fraudulent transfer or conveyance. To effectuate the foregoing intention, the Holders and each such Guarantor hereby irrevocably agree that the obligations of such Guarantor under its Guarantee shall be limited to the

maximum amount that will not, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Guarantee or pursuant to this Section 12.04, result in the obligations of such Guarantor under its Guarantee constituting such fraudulent transfer or conveyance.

SECTION 12.05. Contribution. In order to provide for just and equitable contribution among the Guarantors, the Guarantors agree, inter se, that in the event any payment or distribution is made by any Guarantor (a "Funding Guarantor") under a Guarantee, such Funding Guarantor shall be entitled to a contribution from all other Guarantors in a pro rata amount based on the Adjusted Net Assets (as defined below) of each Guarantor (including the Funding Guarantor) for all payments, damages and expenses incurred by that Funding Guarantor in discharging the Issuer's obligations with respect to the Notes or any other Guarantor's obligations with respect to the Guarantee of such Guarantor. "Adjusted Net Assets" of such Guarantor at any date shall mean the lesser of (1) the amount by which the fair value of the property of such Guarantor exceeds the total amount of liabilities, including contingent liabilities (after giving effect to all other fixed and contingent liabilities incurred or assumed on such date), but excluding liabilities under the Guarantee of such Guarantor at such date and (2) the amount by which the present fair salable value of the assets of such Guarantor at such date exceeds the amount that will be required to pay the probable liability of such Guarantor on its debts (after giving effect to all other fixed and contingent liabilities incurred or assumed on such date), excluding debt in respect of the Guarantee of such Guarantor, as they become absolute and matured.

SECTION 12.06. Subrogation. Each Guarantor shall be subrogated to all rights of Holders against the Issuer in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 12.01; *provided* that, if an Event of Default with respect to a series of Notes has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Issuer under this Indenture with respect to such series of Notes or the Notes of such series shall have been paid in full.

SECTION 12.07. Reinstatement. Each Guarantor hereby agrees (and each Person who becomes a Guarantor shall agree) that the Guarantee provided for in Section 12.01 shall continue to be effective or be reinstated, as the case may be, if at any time, payment, or any part thereof, of any obligations or interest thereon is rescinded or must otherwise be restored by a Holder to the Issuer upon the bankruptcy or insolvency of the Issuer or any Guarantor.

SECTION 12.08. Release of a Guarantor. Any Guarantee by a Guarantor shall be automatically and unconditionally released and discharged upon:

(1) (A) in the case of a Subsidiary Guarantor, any sale, exchange, transfer or other disposition (by merger, consolidation, amalgamation, dividend, distribution or otherwise) of (i) the Capital Stock of such Subsidiary Guarantor (including any sale, exchange or transfer), after which such Subsidiary Guarantor is no longer a Restricted Subsidiary or (ii) all or substantially all of the assets of such Subsidiary Guarantor, in each case, if such sale, exchange, transfer or other disposition is not prohibited by the applicable provisions of this Indenture;

(B) in the case of a Subsidiary Guarantor, the release or discharge of such other guarantee or direct obligation that resulted in the creation of such Guarantee, except a discharge or release by or as a result of payment under such guarantee or direct obligation (it being understood that a release subject to a contingent reinstatement is still a release);

(C) in the case of a Subsidiary Guarantor, the designation of any such Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary in compliance with the applicable provisions of this Indenture;

(D) with respect to any series of Notes, the Issuer's exercise of its legal defeasance option or covenant defeasance option with respect to such series as described under Section 13.02 or Section 13.03 or the Issuer's obligations under this Indenture with respect to such series being discharged in accordance with the terms of this Indenture;

(E) the merger, amalgamation or consolidation of any such Subsidiary Guarantor with and into the Issuer or another Subsidiary Guarantor that is the surviving Person in such merger, amalgamation or consolidation, or upon the liquidation of such Subsidiary Guarantor following the transfer of all of its assets to the Issuer or another Subsidiary Guarantor; or

(F) upon the occurrence of a Covenant Suspension Event; *provided* that such Guarantee shall be reinstated upon the occurrence of the Reversion Date.

SECTION 12.09. Benefits Acknowledged. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and from its guarantee and waivers pursuant to its Guarantees under this Article Twelve.

SECTION 12.10. Effectiveness of Guarantees.

This Indenture shall be effective upon its execution and delivery by the parties hereto. With respect to Parent Guarantor, the provisions set forth in this Article Twelve shall be effective upon the execution and delivery of this Indenture by the parties hereto. With respect to the Subsidiary Guarantors, the provisions set forth in this Article Twelve will only become operative concurrently with the Assumption.

ARTICLE THIRTEEN

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 13.01. Issuer's Option to Effect Legal Defeasance or Covenant Defeasance. The Issuer may, at its option, at any time, with respect to the Notes of any series, elect to have either Section 13.02 or Section 13.03 be applied to all Outstanding Notes of such series upon compliance with the conditions set forth below in this Article Thirteen.

SECTION 13.02. Legal Defeasance and Discharge. Upon the Issuer's exercise under Section 13.01 of the option applicable to this Section 13.02, each of the Issuer and the Guarantors shall be deemed to have been discharged from its respective obligations with respect to all Outstanding Notes of such series and the Guarantees of such series on the date the conditions set forth in Section 13.04 are satisfied (hereinafter, "Legal Defeasance"). For this purpose, such Legal Defeasance means that each of the Issuer and the Guarantors shall be deemed to have paid and discharged the entire indebtedness represented by the Outstanding Notes of such series, which shall thereafter be deemed to be "Outstanding" only for the purposes of Section 13.05 and the other Sections of this Indenture referred to in (1) and (2) below, and the Guarantees of such series and to have satisfied all its other obligations under such series of Notes, Guarantees of such series and this Indenture insofar as such Notes are concerned and have cured all then existing Events of Default (and the Trustee, at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise

terminated or discharged hereunder: (1) the rights of Holders of Notes of such series to receive payments in respect of the principal of (and premium, if any, on) and interest on the Notes of such series when such payments are due, solely out of the trust created pursuant to this Indenture, (2) the Issuer's obligations with respect to the Notes of such series under Sections 3.04, 3.05, 3.06, 10.02 and 10.03, (3) the rights, powers, trusts, duties and immunities of the Trustee hereunder, and the obligations of each of the Guarantors and the Issuer in connection therewith and (4) this Article Thirteen. Subject to compliance with this Article Thirteen, the Issuer may exercise its option under this Section 13.02 notwithstanding the prior exercise of its option under Section 13.03 with respect to such series of Notes.

SECTION 13.03. Covenant Defeasance. Upon the Issuer's exercise under Section 13.01 of the option applicable to this Section 13.03, each of the Issuer and the Guarantors shall be released from its respective obligations under any covenant contained in Sections 8.01 and 8.02 and in Sections 10.04 through and including 10.17 with respect to the Outstanding Notes of such series on and after the date the conditions set forth below are satisfied (hereinafter, "Covenant Defeasance"), and the Notes of such series shall thereafter be deemed not to be "Outstanding" for the purposes of any direction, waiver, consent or declaration or Act of Holders of Notes of such series (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "Outstanding" for all other purposes hereunder. For this purpose, such Covenant Defeasance means that, with respect to the Outstanding Notes of such series, the Issuer or any Guarantor, as applicable, may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Sections 5.01(3), and as a result of such Covenant Defeasance, Sections 5.01(4), 5.01(5), and 5.01(7) and, with respect to only any Significant Subsidiary and not the Issuer, Section 5.01(6), shall no longer be in effect but, except as specified above, the remainder of this Indenture and the Notes of such series shall be unaffected thereby.

SECTION 13.04. Conditions to Legal Defeasance or Covenant Defeasance. The following shall be the conditions to application of either Section 13.02 or Section 13.03 to the Outstanding Notes of any series:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes of such series, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts (including scheduled payments thereon) as will be sufficient (without consideration of any reinvestment of interest), in the opinion of an Independent Financial Advisor, to pay the principal of, premium, if any, and interest due on the Notes of such series on the stated maturity date or on the Redemption Date, as the case may be, of such principal, premium, if any, or interest on such Notes and the Issuer must specify whether such Notes are being defeased to maturity or to a particular Redemption Date; provided, that upon any redemption that requires the payment of the relevant Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the relevant Applicable Premium calculated as of the date of the notice of redemption, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(2) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and exclusions,

(A) the Issuer has received from, or there has been published by, the U.S. Internal Revenue Service a ruling, or

(B) since the issuance of the Notes of such series, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders of the Notes of such series will not recognize income, gain or loss for U.S. federal income tax purposes, as applicable, as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, the Holders of the Notes of such series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness, and, in each case the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any material agreement or material instrument (other than this Indenture and the agreements governing any other Indebtedness being defeased, discharged or replaced) to which, the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith);

(6) the Issuer shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or any Guarantor or others; and

Except as set forth in this Section 2.1(a), beneficial ownership interests in the Temporary Regulation S Global Note will not be exchangeable for interests in a Rule 144A Global Note, a permanent global note (the “Permanent Regulation S Global Note”, and together with the Temporary Regulation S Global Note, the “Regulation S Global Note”) or any other Note prior to the expiration of the Distribution Compliance Period and then, after the expiration of the Distribution Compliance Period, may be exchanged for interests in a Rule 144A Global Note, the Permanent Regulation S Global Note or a Definitive Note only (i) upon certification in form reasonably satisfactory to the Issuer and the Trustee that beneficial ownership interests in such Temporary Regulation S Global Note are owned either by non-U.S. Persons or U.S. Persons who purchased such interests in a transaction that did not require registration under the Securities Act, and (ii) in the case of an exchange for a Definitive Note, in compliance with the requirements of Section 2.4(a) hereof.

Beneficial interests in a Rule 144A Global Note may be transferred to a Person who takes delivery in the form of an interest in a Regulation S Global Note, whether before or after the expiration of the Distribution Compliance Period, only if the transferor first delivers to the Trustee a written certificate (in a form satisfactory to the Issuer and the Trustee) to the effect that such transfer is being made in accordance with Rule 903 or 904 of Regulation S.

Members of, or participants in the Depository (“Agent Members”) shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository or by the Trustee as the custodian of the Depository or under such Global Note, and the Issuer, the Trustee and any agent of the Issuer or the Trustee shall be entitled to treat the Depository as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair as between the Depository and its Agent Members, the operation of customary practices of such Depository governing the exercise of the rights of a holder of a beneficial interest in any Global Note. Neither the Trustee nor any agent shall have any responsibility or liability for any actions taken or not taken by the Depository.

In connection with any proposed transfer outside the book-entry system, the Issuer or the Depository shall be required to provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Section 6045 of the Code. 2.3 Transfer and Exchange.

(a) Transfer and Exchange of Definitive Notes. When Definitive Notes are presented to the Note Registrar with a request:

(x) to register the transfer of such Definitive Notes; or

(y) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations,

the Note Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; provided, however, that the Definitive Notes surrendered for transfer or exchange:

(i) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Issuer and the Note Registrar, duly executed by the Holder thereof or its attorney duly authorized in writing; and

(ii) if such Definitive Notes are required to bear a restricted notes legend, they are being transferred or exchanged pursuant to an effective registration statement under the Securities Act, pursuant to Section 2.3(b) or pursuant to clause (A), (B) or (C) below, and are accompanied by the following additional information and documents, as applicable:

(A) if such Definitive Notes are being delivered to the Note Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect; or

(B) if such Definitive Notes are being transferred to the Issuer, a certification to that effect; or

(C) if such Definitive Notes are being transferred (x) pursuant to an exemption from registration in accordance with Rule 144A or Regulation S; or (y) in reliance upon another exemption from the requirements of the Securities Act: (i) a certification to that effect (in the form set forth on the reverse of the Note) and (ii) if the Issuer so requests, an opinion of counsel or other evidence reasonably satisfactory to it as to the compliance with the restrictions set forth in the legend set forth in Section 2.3(d).

A Definitive Note may not be exchanged for a beneficial interest in a Rule 144A Global Note or a Regulation S Global Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Note, duly endorsed or accompanied by appropriate instruments of transfer, in form satisfactory to the Trustee, together with:

(i) certification, in the form set forth on the reverse of the Note, that such Definitive Note is either (A) being transferred to a QIB in accordance with Rule 144A or (B) being transferred after expiration of the Distribution Compliance Period by a Person who initially purchased such Note in reliance on Regulation S to a buyer who elects to hold its interest in such Note in the form of a beneficial interest in the Regulation S Global Note; and

(ii) written instructions directing the Trustee to make, or to direct the Notes Custodian to make, an adjustment on its books and records with respect to such Rule 144A Global Note (in the case of a transfer pursuant to clause (b)(i)(A)) or Regulation S Global Note (in the case of a transfer pursuant to clause (b)(i)(B)) to reflect an increase in the aggregate principal amount of the Notes represented by the Rule 144A Global Note or Regulation S Global Note, as applicable, such instructions to contain information regarding the Agent Member account to be credited with such increase,

then the Trustee shall cancel such Definitive Note and cause, or direct the Notes Custodian to cause, in accordance with the standing instructions and procedures of the Depository and the Notes Custodian, the aggregate principal amount of Notes represented by the Rule 144A Global Note or Regulation S Global Note, as applicable, to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Rule 144A Global Note or Regulation S Global Note, as applicable, equal to the principal amount of the Definitive Note so canceled. If no Rule 144A Global Notes or Regulation S Global Notes, as applicable, are then outstanding, the Issuer shall issue and the Trustee shall authenticate, upon written order of the Issuer in the form of an Officer's Certificate of the Issuer, a new Rule 144A Global Note or Regulation S Global Note, as applicable, in the appropriate principal amount.

(c) Transfer and Exchange of Global Notes.

(i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depository, in accordance with this Indenture (including applicable restrictions on transfer set forth herein, if any) and the Applicable Procedures. A transferor of a beneficial interest in a Global Note shall deliver to the Note Registrar a written order given in accordance with the Applicable Procedures containing information regarding the participant account of the Depository to be credited with a beneficial interest in the Global Note. The Note Registrar shall, in accordance with such instructions instruct the Depository to credit to the account of the Person specified in such instructions a beneficial interest in the Global Note and to debit the account of the Person making the transfer the beneficial interest in the Global Note being transferred. The Note Registrar shall have no responsibilities with respect to transfers of beneficial interests within a single Global Note.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Note Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Note Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Appendix (other than the provisions set forth in Section 2.4), a Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

(iv) In the event that a Global Note is exchanged for a Definitive Note pursuant to Section 2.4 of this Appendix, such Notes may be exchanged only in accordance with such procedures as are substantially consistent with the provisions of this Section 2.3 (including the certification requirements set forth on the reverse of the Notes intended to ensure that such transfers comply with Rule 144A, Regulation S or another applicable exemption under the Securities Act, as the case may be) and such other procedures as may from time to time be adopted by the Issuer.

(v) During the Distribution Compliance Period, beneficial ownership interests in Temporary Regulation S Global Notes may only be sold, pledged or transferred in accordance with the Applicable Procedures and only (i) to the Issuer, (ii) in an offshore transaction in accordance with Regulation S (other than a transaction resulting in an exchange for an interest in a Permanent Regulation S Global Note) or (iii) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any State of the United States.

[FORM OF REVERSE SIDE OF INITIAL 2023 NOTE]
8.125% Senior Note Due 2023

1. Principal and Interest.

The Issuer will pay the principal of this Note on July 15, 2023.

The Issuer promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth below, at the rate of 8.125% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record at the close of business (if applicable) on the January 1 or July 1 (whether or not a Business Day) immediately preceding the Interest Payment Date) on each Interest Payment Date, commencing January 15, 2019.

Interest on this Note will accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from July 13, 2018; *provided* that, if there is no existing default in the payment of interest and if this Note is authenticated between a Regular Record Date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such Interest Payment Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

The Issuer shall pay interest on overdue principal and premium, if any, and interest on overdue installments of interest, to the extent lawful, at a rate per annum equal to the rate of interest borne by the 2023 Notes.

2. Method of Payment.

The Issuer will pay interest (except Defaulted Interest) on the principal amount of the 2023 Notes on each January 15 and July 15 (commencing on January 15, 2019) to the Persons who are Holders of 2023 Notes (as reflected in the Note Register at the close of business (if applicable) on the January 1 and July 1 (whether or not a Business Day) immediately preceding the Interest Payment Date), in each case, even if the Note is cancelled on registration of transfer or registration of exchange after such Regular Record Date; *provided* that, with respect to the payment of principal or premium, if any, the Issuer will make payment to the Holder that surrenders this Note to the Paying Agent on or after the date such principal or premium is due and payable.

The Issuer will pay principal (and premium, if any) and interest in U.S. dollars. However, the Issuer may pay principal (and premium, if any) and interest by its check payable in such money. The Issuer may pay interest on the Notes either (a) by mailing a check for such interest to a Holder's registered address (as reflected in the Note Register) or (b) subject to the provisions of the Indenture, by wire transfer to an account located in the United States maintained by the payee. If a payment date is a date other than a Business Day at a place of payment, payment may be made at that place on the next succeeding day that is a Business Day and no interest shall accrue for the intervening period.

3. Paying Agent and Note Registrar.

The Issuer initially appoints Wells Fargo Bank, National Association, in New York as Paying Agent and Note Registrar. The Issuer may change any Paying Agent or Note Registrar without prior notice to the Holders. The Issuer or any of its Subsidiaries may act as Paying Agent, Note Registrar or co-registrar.

4. Indenture.

The Issuer issued the 2023 Notes under an Indenture, dated as of July 13, 2018 (the “Indenture”), among the Issuer, Parent Guarantor and the Trustee. Capitalized terms herein are used as defined in the Indenture unless otherwise indicated. The terms of the 2023 Notes include those stated in the Indenture. The 2023 Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture shall control.

The 2023 Notes are unsecured senior obligations of the Issuer. The Indenture does not limit the aggregate principal amount of the 2023 Notes.

5. Redemption.

Optional Redemption. At any time prior to July 15, 2020, the Issuer may, at its option and on one or more occasions, redeem all or a part of the 2023 Notes, upon notice as described in Section 11.06 of the Indenture, at a Redemption Price equal to 100% of the principal amount of the 2023 Notes redeemed plus the 2023 Applicable Premium as of, and accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the rights of Holders of record of 2023 Notes on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date falling on or prior to the Redemption Date.

On and after July 15, 2020, the Issuer may, at its option and on one or more occasions, redeem the 2023 Notes, in whole or in part, upon notice as described in Section 11.06 of the Indenture, at the Redemption Prices (expressed as percentages of principal amount of the 2023 Notes to be redeemed) set forth below, plus accrued and unpaid interest, if any, to, but excluding, the applicable Redemption Date, subject to the right of Holders of record of 2023 Notes on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date falling on or prior to the Redemption Date, if redeemed during the twelve-month period beginning on July 15 of each of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2020	104.063%
2021	102.031%
2022 and thereafter	100.000%

In addition, until July 15, 2020, the Issuer may, at its option and on one or more occasions, upon notice as described in Section 11.06 of the Indenture, redeem up to 40% of the aggregate principal amount of 2023 Notes (including Additional Notes of such series) issued under the Indenture at a Redemption Price (as calculated by the Issuer) equal to (i) 108.125% of the aggregate principal amount thereof, with an amount equal to or less than the net cash proceeds from one or more Equity Offerings to the extent such net cash proceeds are received by or contributed to the Issuer plus (ii) accrued and unpaid interest thereon, if any, to, but excluding, the applicable Redemption Date, subject to the right of Holders of record of 2023 Notes on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date falling on or prior to the Redemption Date; *provided* that (a) at least 50% of the sum of the aggregate principal amount of 2023 Notes originally issued under the Indenture on the Issue Date and any Additional Notes of such series issued under the Indenture after the Issue Date remains outstanding immediately after the occurrence of each such redemption and (b) each such redemption occurs within 180 days of the date of closing of each such Equity Offering.

Special Mandatory Redemption. If the Merger is not completed on or prior to the Escrow Outside Date, or, if, prior to such date, the Transaction Agreement is terminated, the Issuer shall redeem all of the 2023 Notes (the “Special Mandatory Redemption”) at a price (the “Special Mandatory Redemption Price”) equal to 100% of the initial issue price of the 2023 Notes, plus accrued but unpaid interest, if any, from the Issue Date to, but excluding, the Special Mandatory Redemption Date (as defined below) (subject to the right of holders of record on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date).

Upon the occurrence of a Special Mandatory Redemption Event, the Issuer shall promptly (but in no event later than five Business Days following such Special Mandatory Redemption Event) notify the Trustee in writing of such event, and the Trustee shall, no later than five Business Days following receipt of such notice from the Issuer, notify the Holders (such date of notification to the Holders, the “Redemption Notice Date”) that the Notes shall be redeemed on the 15th day following the Redemption Notice Date (such date, the “Special Mandatory Redemption Date”), in each case in accordance with the applicable provisions of the Indenture. The Trustee, upon receipt of the notice specified above, on the Redemption Notice Date shall notify each Holder in accordance with the applicable provisions of the Indenture that all of the Outstanding Notes will be redeemed at the Special Mandatory Redemption Price on the Special Mandatory Redemption Date automatically and without any further action by the Holders.

On the Special Mandatory Redemption Date, the Issuer shall cause the Escrow Agent to pay to the Paying Agent for payment to each Holder the Special Mandatory Redemption Price for such Holder’s Notes and, concurrently with the payment to such Holders, deliver any excess Escrowed Property (if any) to the Issuer.

6. Repurchase upon a Change of Control and Asset Sales.

Upon the occurrence of (a) a Change of Control, the Holders will have the right to require that the Issuer purchase such Holder’s Outstanding Notes, in whole or in part, at a purchase price of 101% of the aggregate principal amount thereof, plus accrued and unpaid interest, if any, to, but excluding, the date of purchase and (b) Asset Sales, the Issuer may be obligated to make offers to purchase Notes and Pari Passu Indebtedness of the Issuer with a portion of the Net Proceeds of such Asset Sales at a Redemption Price of 100% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to, but excluding, the date of purchase.

7. Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of \$2,000 principal amount and integral multiples of \$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. The Note Registrar and the Issuer may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Note Registrar and the Issuer need not register the transfer or exchange of any Notes selected for redemption (except, in the case of a Note to be redeemed in part, the portion of the Note not to be redeemed) or any Notes tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer, an Asset Sale Offer or other tender offer. Also, the Note Registrar and the Issuer need not register the transfer or exchange of any Notes for a period of ten days before delivering a notice of redemption of Notes to be redeemed.

8. Persons Deemed Owners.

A registered Holder of a 2023 Note may be treated as the owner of such 2023 Note for all purposes.

9. Unclaimed Money.

If money for the payment of principal (premium, if any) or interest remains unclaimed for two years, the Trustee and the Paying Agent will pay the money back to the Issuer at its written request. After that, Holders entitled to the money must look to the Issuer for payment, unless an abandoned property law designates another Person, and all liability of the Trustee and such Paying Agent with respect to such money shall cease.

10. Discharge and Defeasance Prior to Redemption or Maturity.

If the Issuer irrevocably deposits, or causes to be deposited, with the Trustee money or Government Securities sufficient to pay the then outstanding principal of (premium, if any) and accrued but unpaid interest on the 2023 Notes to the Redemption Date or Stated Maturity, the Issuer will be discharged from its obligations under the Indenture with respect to the 2023 Notes and the 2023 Notes, except in certain circumstances for certain covenants thereof, or will be discharged from certain covenants set forth in the Indenture with respect to the 2023 Notes.

11. Amendment; Supplement; Waiver.

Subject to certain exceptions, the Indenture, the Notes or any Guarantee may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then Outstanding Notes, and any existing Default or Event of Default or compliance with any provision of the Indenture, the Notes or any Guarantees may be waived with the consent of the Holders of at least a majority in aggregate principal amount of the then Outstanding Notes. Without notice to or the consent of any Holder, the parties thereto may amend or supplement the Indenture, the Notes or the Guarantees to, among other things, cure any ambiguity, omission, mistake, defect or inconsistency and make any change that does not adversely affect the legal rights under the Indenture of any Holder in any material respect.

12. Restrictive Covenants.

The Indenture contains certain covenants, including covenants with respect to the following matters: (i) Restricted Payments; (ii) incurrence of Indebtedness and issuance of Disqualified Stock and Preferred Stock; (iii) Liens; (iv) transactions with Affiliates; (v) dividend and other payment restrictions affecting Restricted Subsidiaries; (vi) guarantees of Indebtedness by Restricted Subsidiaries; (vii) merger and certain transfers of assets; (viii) purchase of Notes upon a Change in Control; and (ix) disposition of proceeds of Asset Sales. Within 120 days after the end of each fiscal year, the Issuer must report to the Trustee on compliance with such limitations.

13. Successor Persons.

When a successor Person or other entity assumes all the obligations of its predecessor under the Notes or the Guarantees and the Indenture, the predecessor Person will be released from those obligations.

14. Remedies for Events of Default.

If an Event of Default, as defined in the Indenture (other than an Event of Default specified in Section 5.01(6) of the Indenture), occurs and is continuing, the Trustee or the Holders of at least 30% in aggregate principal amount of the then total Outstanding Notes may declare the principal, premium, if any, interest and any other monetary obligations on all the then Outstanding Notes to be due and payable immediately by a notice in writing to the Issuer (and to the Trustee if given by Holders). Notwithstanding the foregoing, in the case of an Event of Default arising under Section 5.01(6) of the Indenture, all Outstanding Notes will become due and payable without further action or notice. Subject to the provisions of the Indenture relating to the duties of the Trustee, in case an Event of Default occurs and is continuing, the Trustee shall be under no obligation to exercise any rights or powers under the Indenture at the request or direction of any of the Holders unless such Holders have offered indemnity or security against any loss, liability, claim or expense satisfactory to the Trustee. Subject to certain restrictions, the Holders of a majority in principal amount of the Outstanding Notes are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder of a Note or that would involve the Trustee in personal liability.

15. Guarantees.

On the Issue Date, the Issuer's obligations under the 2023 Notes will be fully, irrevocably and unconditionally guaranteed on a senior unsecured basis, to the extent set forth in the Indenture, by Parent Guarantor. 16. Trustee Dealings with Issuer.

The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of 2023 Notes and may make loans to, accept deposits from, perform services for, and otherwise deal with, the Issuer and its Affiliates as if it were not the Trustee.

[FORM OF REVERSE SIDE OF INITIAL 2026 NOTE]
9.125% Senior Note Due 2026

1. Principal and Interest.

The Issuer will pay the principal of this Note on July 15, 2026.

The Issuer promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth below, at the rate of 9.125% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record at the close of business (if applicable) on the January 1 or July 1 (whether or not a Business Day) immediately preceding the Interest Payment Date) on each Interest Payment Date, commencing January 15, 2019.

Interest on this Note will accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from July 13, 2018; *provided* that, if there is no existing default in the payment of interest and if this Note is authenticated between a Regular Record Date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such Interest Payment Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

The Issuer shall pay interest on overdue principal and premium, if any, and interest on overdue installments of interest, to the extent lawful, at a rate per annum equal to the rate of interest borne by the 2026 Notes.

2. Method of Payment.

The Issuer will pay interest (except Defaulted Interest) on the principal amount of the 2026 Notes on each January 15 and July 15 (commencing on January 15, 2019) to the Persons who are Holders of 2026 Notes (as reflected in the Note Register at the close of business (if applicable) on the January 1 and July 1 (whether or not a Business Day) immediately preceding the Interest Payment Date), in each case, even if the Note is cancelled on registration of transfer or registration of exchange after such Regular Record Date; *provided* that, with respect to the payment of principal or premium, if any, the Issuer will make payment to the Holder that surrenders this Note to the Paying Agent on or after the date such principal or premium is due and payable.

The Issuer will pay principal (and premium, if any) and interest in U.S. dollars. However, the Issuer may pay principal (and premium, if any) and interest by its check payable in such money. The Issuer may pay interest on the Notes either (a) by mailing a check for such interest to a Holder's registered address (as reflected in the Note Register) or (b) subject to the provisions of the Indenture, by wire transfer to an account located in the United States maintained by the payee. If a payment date is a date other than a Business Day at a place of payment, payment may be made at that place on the next succeeding day that is a Business Day and no interest shall accrue for the intervening period.

3. Paying Agent and Note Registrar.

The Issuer initially appoints Wells Fargo Bank, National Association, in New York as Paying Agent and Note Registrar. The Issuer may change any Paying Agent or Note Registrar without prior notice to the Holders. The Issuer or any of its Subsidiaries may act as Paying Agent, Note Registrar or co-registrar.

4. Indenture.

The Issuer issued the 2026 Notes under an Indenture, dated as of July 13, 2018 (the “Indenture”), among the Issuer, Parent Guarantor and the Trustee. Capitalized terms herein are used as defined in the Indenture unless otherwise indicated. The terms of the 2026 Notes include those stated in the Indenture. The 2026 Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture shall control.

The 2026 Notes are unsecured senior obligations of the Issuer. The Indenture does not limit the aggregate principal amount of the 2026 Notes.

5. Redemption.

Optional Redemption. At any time prior to July 15, 2021, the Issuer may, at its option and on one or more occasions, redeem all or a part of the 2026 Notes, upon notice as described in Section 11.06 of the Indenture, at a Redemption Price equal to 100% of the principal amount of the 2026 Notes redeemed plus the 2026 Applicable Premium as of, and accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the rights of Holders of record of 2026 Notes on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date falling on or prior to the Redemption Date.

On and after July 15, 2021, the Issuer may, at its option and on one or more occasions, redeem the 2026 Notes, in whole or in part, upon notice as described in Section 11.06 of the Indenture, at the Redemption Prices (expressed as percentages of principal amount of the 2026 Notes to be redeemed) set forth below, plus accrued and unpaid interest, if any, to, but excluding, the applicable Redemption Date, subject to the right of Holders of record of 2026 Notes on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date falling on or prior to the Redemption Date, if redeemed during the twelve-month period beginning on July 15 of each of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2021	104.563%
2022	102.281%
2023 and thereafter	100.000%

In addition, until July 15, 2021, the Issuer may, at its option and on one or more occasions, upon notice as described in Section 11.06 of the Indenture, redeem up to 40% of the aggregate principal amount of 2026 Notes (including Additional Notes of such series) issued under the Indenture at a Redemption Price (as calculated by the Issuer) equal to (i) 109.125% of the aggregate principal amount thereof, with an amount equal to or less than the net cash proceeds from one or more Equity Offerings to the extent such net cash proceeds are received by or contributed to the Issuer plus (ii) accrued and unpaid interest thereon, if any, to, but excluding, the applicable Redemption Date, subject to the right of Holders of record of 2026 Notes on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date falling on or prior to the Redemption Date; *provided* that (a) at least 50% of the sum of the aggregate principal amount of 2026 Notes originally issued under the Indenture on the Issue Date and any Additional Notes of such series issued under the Indenture after the Issue Date remains outstanding immediately after the occurrence of each such redemption and (b) each such redemption occurs within 180 days of the date of closing of each such Equity Offering.

Special Mandatory Redemption. If the Merger is not completed on or prior to the Escrow Outside Date or, if, prior to such date, the Transaction Agreement is terminated, the Issuer shall redeem all of the 2026 Notes (the “Special Mandatory Redemption”) at a price (the “Special Mandatory Redemption Price”) equal to 100% of the initial issue price of the 2026 Notes, plus accrued but unpaid interest, if any, from the Issue Date to, but excluding, the Special Mandatory Redemption Date (as defined below) (subject to the right of holders of record on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date).

Upon the occurrence of a Special Mandatory Redemption Event, the Issuer shall promptly (but in no event later than five Business Days following such Special Mandatory Redemption Event) notify the Trustee in writing of such event, and the Trustee shall, no later than five Business Days following receipt of such notice from the Issuer, notify the Holders (such date of notification to the Holders, the “Redemption Notice Date”) that the Notes shall be redeemed on the 15th day following the Redemption Notice Date (such date, the “Special Mandatory Redemption Date”), in each case in accordance with the applicable provisions of the Indenture. The Trustee, upon receipt of the notice specified above, on the Redemption Notice Date shall notify each Holder in accordance with the applicable provisions of the Indenture that all of the Outstanding Notes will be redeemed at the Special Mandatory Redemption Price on the Special Mandatory Redemption Date automatically and without any further action by the Holders.

On the Special Mandatory Redemption Date, the Issuer shall cause the Escrow Agent to pay to the Paying Agent for payment to each Holder the Special Mandatory Redemption Price for such Holder’s Notes and, concurrently with the payment to such Holders, deliver any excess Escrowed Property (if any) to the Issuer.

6. Repurchase upon a Change of Control and Asset Sales.

Upon the occurrence of (a) a Change of Control, the Holders will have the right to require that the Issuer purchase such Holder’s Outstanding Notes, in whole or in part, at a purchase price of 101% of the aggregate principal amount thereof, plus accrued and unpaid interest, if any, to, but excluding, the date of purchase and (b) Asset Sales, the Issuer may be obligated to make offers to purchase Notes and Pari Passu Indebtedness of the Issuer with a portion of the Net Proceeds of such Asset Sales at a Redemption Price of 100% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to, but excluding, the date of purchase.

7. Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of \$2,000 principal amount and integral multiples of \$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. The Note Registrar and the Issuer may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Note Registrar and the Issuer need not register the transfer or exchange of any Notes selected for redemption (except, in the case of a Note to be redeemed in part, the portion of the Note not to be redeemed) or any Notes tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer, an Asset Sale Offer or other tender offer. Also, the Note Registrar and the Issuer need not register the transfer or exchange of any Notes for a period of ten days before delivering a notice of redemption of Notes to be redeemed.

8. Persons Deemed Owners.

A registered Holder of 2026 Note may be treated as the owner of such 2026 Note for all purposes.

9. Unclaimed Money.

If money for the payment of principal (premium, if any) or interest remains unclaimed for two years, the Trustee and the Paying Agent will pay the money back to the Issuer at its written request. After that, Holders entitled to the money must look to the Issuer for payment, unless an abandoned property law designates another Person, and all liability of the Trustee and such Paying Agent with respect to such money shall cease.

10. Discharge and Defeasance Prior to Redemption or Maturity.

If the Issuer irrevocably deposits, or causes to be deposited, with the Trustee money or Government Securities sufficient to pay the then outstanding principal of (premium, if any) and accrued but unpaid interest on the 2026 Notes to the Redemption Date or Stated Maturity, the Issuer will be discharged from its obligations under the Indenture with respect to the 2026 Notes and the 2026 Notes, except in certain circumstances for certain covenants thereof, or will be discharged from certain covenants set forth in the Indenture with respect to the 2026 Notes.

11. Amendment; Supplement; Waiver.

Subject to certain exceptions, the Indenture, the Notes or any Guarantee may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then Outstanding Notes, and any existing Default or Event of Default or compliance with any provision of the Indenture, the Notes or any Guarantees may be waived with the consent of the Holders of at least a majority in aggregate principal amount of the then Outstanding Notes. Without notice to or the consent of any Holder, the parties thereto may amend or supplement the Indenture, the Notes or the Guarantees to, among other things, cure any ambiguity, omission, mistake, defect or inconsistency and make any change that does not adversely affect the legal rights under the Indenture of any Holder in any material respect.

12. Restrictive Covenants.

The Indenture contains certain covenants, including covenants with respect to the following matters: (i) Restricted Payments; (ii) incurrence of Indebtedness and issuance of Disqualified Stock and Preferred Stock; (iii) Liens; (iv) transactions with Affiliates; (v) dividend and other payment restrictions affecting Restricted Subsidiaries; (vi) guarantees of Indebtedness by Restricted Subsidiaries; (vii) merger and certain transfers of assets; (viii) purchase of Notes upon a Change in Control; and (ix) disposition of proceeds of Asset Sales. Within 120 days after the end of each fiscal year, the Issuer must report to the Trustee on compliance with such limitations.

13. Successor Persons.

When a successor Person or other entity assumes all the obligations of its predecessor under the Notes or the Guarantees and the Indenture, the predecessor Person will be released from those obligations.

14. Remedies for Events of Default.

If an Event of Default, as defined in the Indenture (other than an Event of Default specified in Section 5.01(6) of the Indenture), occurs and is continuing, the Trustee or the Holders of at least 30% in aggregate principal amount of the then total Outstanding Notes may declare the principal, premium, if any, interest and any other monetary obligations on all the then Outstanding Notes to be due and payable immediately by a notice in writing to the Issuer (and to the Trustee if given by Holders). Notwithstanding the foregoing, in the case of an Event of Default arising under Section 5.01(6) of the Indenture, all Outstanding Notes will become due and payable without further action or notice. Subject to the provisions of the Indenture relating to the duties of the Trustee, in case an Event of Default occurs and is continuing, the Trustee shall be under no obligation to exercise any rights or powers under the Indenture at the request or direction of any of the Holders unless such Holders have offered indemnity or security against any loss, liability, claim or expense satisfactory to the Trustee. Subject to certain restrictions, the Holders of a majority in principal amount of the Outstanding Notes are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder of a Note or that would involve the Trustee in personal liability.

15. Guarantees.

On the Issue Date, the Issuer's obligations under the 2026 Notes will be fully, irrevocably and unconditionally guaranteed on a senior unsecured basis, to the extent set forth in the Indenture, by Parent Guarantor. 16. Trustee Dealings with Issuer.

The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of 2026 Notes and may make loans to, accept deposits from, perform services for, and otherwise deal with, the Issuer and its Affiliates as if it were not the Trustee.

FORM OF SUPPLEMENTAL INDENTURE
TO BE DELIVERED BY SUBSEQUENT GUARANTORS

SUPPLEMENTAL INDENTURE (this "Supplemental Indenture"), dated as of _____, 20__, by _____
(the "Guaranteeing Subsidiary"), a subsidiary of the Issuer.

WITNESSETH

WHEREAS, the Issuer and Guarantors have heretofore executed and delivered to Wells Fargo Bank, National Association, as trustee (the "Trustee"), an indenture (as heretofore amended and supplemented, the "Indenture"), dated as of July 13, 2018, as supplemented by the Completion Date Supplemental Indenture, dated as of [], 2018, providing for the issuance of \$950,000,000 aggregate principal amount of 8.125% Senior Notes Due 2023 (the "2023 Notes") and \$750,000,000 aggregate principal amount of 9.125% Senior Notes Due 2026 (the "2026 Notes") and, together with the 2023 Notes, the "Notes"; and

WHEREAS, the Indenture provides that under certain circumstances the Guaranteeing Subsidiary shall execute and deliver to the Trustee a supplemental indenture pursuant to which the Guaranteeing Subsidiary shall unconditionally guarantee all of the Issuer's Obligations under the Notes and the Indenture on the terms and conditions set forth herein (the "Guarantee").

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Guaranteeing Subsidiary covenants and agrees for the equal and ratable benefit of the Holders as follows:

1. CAPITALIZED TERMS. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.
2. AGREEMENT TO GUARANTEE. The Guaranteeing Subsidiary hereby agrees to provide an unconditional Guarantee on the terms and subject to the conditions set forth in the Indenture including but not limited to Article Twelve thereof.
3. EXECUTION AND DELIVERY. The Guaranteeing Subsidiary agrees that the Guarantee shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.
4. NO RECOURSE AGAINST OTHERS. No past, present or future director, officer, employee, incorporator, stockholder or agent of the Guaranteeing Subsidiary, as such, shall have any liability for any obligations of the Issuer or any Guaranteeing Subsidiary under the Notes, any Guarantees, the Indenture or this Supplemental Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of the Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.
5. GOVERNING LAW. THIS SUPPLEMENTAL INDENTURE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. THE PART[Y][IES] HERETO AGREE[S] TO SUBMIT TO THE JURISDICTION OF

ANY UNITED STATES FEDERAL OR STATE COURT LOCATED IN THE BOROUGH OF MANHATTAN, IN THE CITY OF NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS SUPPLEMENTAL INDENTURE.

6. COUNTERPARTS. The part[y][ies] may sign any number of copies of this Supplemental Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. The exchange of copies of the Supplemental Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of the Supplemental Indenture as to the part[y][ies] hereto and may be used in lieu of the original Supplemental Indenture for all purposes. Signatures of the part[y][ies] hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

7. EFFECT OF HEADINGS. The Section headings herein are for convenience or reference only and are not intended to be considered a part hereof and shall not affect the construction hereof.

8. THE TRUSTEE. The Trustee is an express and intended third party beneficiary hereof and is entitled to the rights and benefits hereunder and may enforce this Agreement as if it were a party hereto. This provision cannot be amended without the consent of the Trustee.

IN WITNESS WHEREOF, the part[y][ies] hereto have caused this Supplemental Indenture to be duly executed, all as of the date first above written.
